Resolution: Authorization to dissolve the current Student Code of Conduct

Submitted By
Dr. B. Kaye Walter, President
Dr. Naydeen González-De Jesús, Vice President of Student Affairs

Action Requested
Authorization to dissolve the current Bergen Community College Student Code of Conduct and replace it with a revised version, which contains new language specific to the Campus SaVE Act.

Justification
The Violence Against Women Reauthorization Act ("VAWA"), which President Obama signed into law on March 7, imposes new obligations on colleges and universities under its Campus Sexual Violence Elimination Act ("SaVE Act") provision, Section 304. Those obligations—which to some extent refine and clarify, and to some extent change, existing legal requirements and government agency enforcement statements—likely will require revision of institutional policy and practice. A revised Code will add this new language to the BCC Student Code of Conduct.

The College maintains the right to take all necessary and appropriate action to protect the health, safety and welfare of the employees, students and visitors to the College campus community. This Code may be applied to conduct that takes place during the time a person is enrolled as a student, including during intra-semester breaks and between semesters. Further, this Code applies to members of the College community as defined, whose host may be held accountable for the misconduct of their guests. Sanctions for violations by visitors and guests may include but not be limited to a warning, Campus-Wide No Trespass and referral to the Department of Public Safety and Bergen County Police. Visitors to and guests of the College are also protected by this Code, and may initiate grievances for violations of this Code committed by members of the College community against them. The College may address misconduct that occurs prior to, but is not reported until after, the graduation of the offending student, as long as the misconduct is reported within six months of its occurrence. Otherwise, there is no time limit on reporting of violations of this Code, as long as the offending student is still enrolled at the College. Those who are aware of misconduct are encouraged to report it as quickly as possible to the Office of Student Life and Judicial Affairs. The Dean of the Office and/or his/her designee is responsible for overseeing processes related to the implementation of this Code.

Students at the College are provided annual notification that explains how they may access this Code on the College Web site. The printed document is also available in the Office of Judicial Affairs, (1st Floor of the Pitkin Education Building). Incident reports can be filed with the Office of Public Safety (L-154) and the Office of Judicial Affairs. Students are charged with the responsibility to read and to abide by the provisions of this Code and the authority of the student conduct process. This Code and the student conduct process apply to the conduct of individual students and College recognized student organizations. Because this Code is based on shared values, it sets a range of expectations for the student no matter where or when their conduct may take place. Therefore, this Code applies to conduct that takes place on the campus, at College-sponsored events, and off campus, when the administration determines that the off campus conduct affects a substantial College interest. A substantial College interest is defined to include:

Violations of local ordinances, state and federal laws are offenses under this Code even where those violations are not explicitly prohibited by this Code. Where such offenses occur off campus, the College may institute conduct proceedings that affect a substantial College interest, at the discretion of the Dean of Student Life & Judicial Affairs. The College may institute conduct proceedings against a student charged with violation of federal, state, or local laws without regard to the existence or possibility of civil or criminal legal proceedings. It is the policy of the College typically to pursue the conduct process in a timely manner through its conduct proceedings, rather than to delay campus proceedings for external criminal and/or civil proceedings arising from the same misconduct.

This Code also applies to acts which constitutes violations of the law and this Code. Any action at the College during the pendency of an administrative, civil or criminal proceedings arising out of the same or other events shall not be the subject to challenge on the ground that criminal charges are pending, dismissed or reduced. The filing of a complaint with the College does not preclude any member of the College community from seeking civil or criminal redress.

IV. Special Provisions

   a. Attempted violations
      In most circumstances, the College will treat attempts to commit any of the violations listed in this Code as if those attempts had been completed.

   b. College as Complainant
      As necessary, the College reserves the right to initiate a complaint, to serve as complainant, and to initiate conduct proceedings without a formal complaint by the victim of misconduct.

   c. False Reports
      The College will not tolerate intentional false reporting of incidents. It is a violation of this Code to make an intentionally false report of any policy violation, and it may also violate state criminal statutes and civil defamation laws.

   d. Group Violations
      When members of groups, individuals acting collusively, or members of an organization act in concert in violation of any policy, they may be held accountable as a group, and a hearing may proceed against the group as joint accused students. In any such action, however, determinations will be made with respect to the involvement of each accused individual.

   e. Amnesty for Victims
      The College encourages the reporting of crimes and violations of this Code by victims. Sometimes, victims are hesitant to report to college officials because they
f. **Good Samaritan**

In a community, students are encouraged to help other members of the community who are in need; to be Good Samaritans. When a student has assisted an intoxicated student in procuring campus safety and/or professional medical assistance at Health Services, or any other healthcare facility, neither the intoxicated student nor the individual(s) who assist them will be subject to formal action through the College conduct process for (a) being intoxicated, or (b) having provided that person alcohol. This applies only to first-time, isolated incidents, and does not excuse or protect those who flagrantly or repeatedly violate college alcohol policies.

**Parental Notification**

The College reserves the right to notify parents/guardians of students who are under the age of 18 and those persons who have been granted guardianship of students who are age 18 and over whose conduct is deemed to be in violation of this Code. The College reserves the right to notify all law enforcement agencies of any breach the provisions of this Code involving alcohol, drugs or any other act that is a danger to the health, safety and well-being of any member of the College community. Bergen Community College also reserves the right to designate which college officials have a need to know about individual conduct complaints pursuant to the Family Educational Rights and Privacy Act (FERPA).

g. **Notification of Outcomes**

The outcome of a hearing is part of the educational record of the accused student, and is protected from release under a federal law, FERPA. However, the College observes the legal exceptions as follows:

1. Complainants in sexual misconduct and sexual harassment incidents have an absolute right to be informed of the outcome and sanctions of the hearing, in writing, without condition or limitation.

2. The College may release publicly the name, nature of the violation and the sanction for any student who is found in violation of a College policy that is a "crime of violence,” including: arson, burglary, robbery, criminal homicide, sex offenses, assault, destruction/damage/vandalism of property and kidnapping/abduction. The College will also release this information to the complainant in any of these offenses regardless of the outcome.

3. The College may also release notification of outcomes to any employment agency/entity requesting disciplinary records of the student as long as
permission has been granted, in writing, by the student who breached the Code.

h. **Defenses**
It has become common for students accused of policy violations to try to defend their actions with excuses, such as prescription drug interactions, self-defense, disabilities, etc. The College’s policy on defenses is clear. Defending your actions could be admission of a violation of policy. “Yes, we fought, but he started it”, still means you had a fight, and that violates this Code. Taking someone’s property under the influence of an anti-depressant, is still taking someone else’s property. While your defense will not excuse your actions, the College will take the legitimacy of your defense into consideration in addressing the proper sanction. If you were not the aggressor in a fight, you may still be sanctioned, but your sanction may be lesser than the sanction of the person who started the fight.

i. **Misconduct Online**
Students are advised that behavior online can be the subject to disciplinary action as if such conduct took place face-to-face. Online harassment, bullying, threats or similar conduct, will not be tolerated and any student that violates this policy will be subject to disciplinary action. Students must be aware that social media postings are in the public sphere, and are not private. These postings can subject a student to allegations of conduct violations, if evidence of policy violations is posted online. The College will take action if and when such information is brought to the attention of the College.

VII. Statement of the Rights of the Victim of Sexual Assault (in accordance with the
Campus SaVE Act of 2014)

NEW JERSEY CAMPUS
SEXUAL ASSAULT VICTIM'S
BILL OF RIGHTS
(PURSUANT TO P.L. 1994 CHAPTER 160)

A College or University in a free society must be devoted to the pursuit of truth and
knowledge through reason and open communication among its members. Academic
communities acknowledge the necessity of being intellectually stimulating where the diversity of
ideas is valued. Its rules must be conceived for the purpose of furthering and protecting the rights
of all members of the College community in achieving these ends.

The boundaries of personal freedom are limited by applicable state and federal laws and
institutional rules and regulations governing interpersonal behavior. In creating a community free
from violence, sexual assault and non-consensual sexual contact, respect for the individual and
human dignity are of paramount importance.

The State of New Jersey recognizes that the impact of violence on its victims and the
surrounding community can be severe and long lasting. Thus, it has established this Bill of
Rights to articulate requirements for policies, procedures and services designed to ensure that the
needs of victims are met and that the Colleges in New Jersey create and maintain communities
that support human dignity.

Bill of Rights
The following Rights shall be afforded to victims of sexual assault that occur:

• On campus of any public or independent institution of higher education in the state of
  New Jersey, and

• Where the victim or alleged perpetrator is a student at that institution, and/or

• When the victim is a student involved in an off-campus sexual assault
**Victims Rights**
- To be free from any suggestion that victims must report the crimes to be assured of any other right guaranteed under this policy
- To have any allegations of sexual assault treated seriously; the right to be treated with dignity
- To be free from any suggestions that victims are responsible for the commission of crimes against them
- To be free from any pressure from campus personnel to:
  - Report crimes if the victim does not wish to do so
  - Report crimes as lesser offenses than the victim perceives the crime to be
  - Refrain from reporting crimes
  - Refrain from reporting crimes to avoid unwanted personal publicity

**Rights to Resources On and Off Campus**
- To be notified of existing campus and community based medical, counseling, mental health and student services for victims of sexual assault whether or not the crime is formally reporting to campus or civil authorities
- To have access to campus counseling under the same terms and conditions as apply to other students in their institution seeking such counseling
- To be informed of and assisted in exercising:
  - Any rights to confidential or anonymous testing for sexually transmitted diseases, human immunodeficiency virus, and/or pregnancy
  - Any rights that may be provided by law to compel and disclose the results of testing of sexual assault suspects for communicable diseases

**Office of Judicial Affairs**
- To be afforded the same access to judicial affairs procedures as the accused.
- To be afforded the same opportunity to have others present during any campus disciplinary proceeding that is allowed the accused
- To be notified of the outcome of the sexual assault disciplinary proceeding against the accused

**Legal Rights**
- To have any allegation of sexual assault investigated and adjudicated by the appropriate criminal and civil authorities of the jurisdiction in which the sexual assault is reported
- To receive full and prompt cooperation and assistance of campus personnel in notifying the proper authorities
- To receive full, prompt, and victim-sensitive cooperation of campus personnel with regard to obtaining, securing, and maintaining evidence, including a medical examination when it is necessary to preserve evidence of the assault

**College Intervention Rights**
- To require campus personnel to take reasonable and necessary actions to prevent further unwanted contact of victims by their alleged assailant(s)
• To be notified of the options for and provided assistance in changing academic situations if such changes are reasonably available

**What actions can be taken following sexual assault?**

**Medical**
If a sexual assault occurs, it is advisable not to bathe, shower, douche, change clothing, eat, drink, smoke, or urinate. It is advisable to seek medical examination quickly to collect evidence, should the victim wish to take legal action presently or in the future. Immediate medical attention is also important for physical injuries, sexually transmitted diseases and pregnancy. It is also advisable to have an HIV test done separately from the medical exam, at an HIV Testing site, where HIV tests are done confidentially, anonymously, and free of charge.

**Emotional**
Counseling can be obtained to help the victim to deal with the emotions and to regain a feeling of control over one’s life.

**Legal/Disciplinary**
Criminal charges can be filed through the municipality where the assault occurred. A college complaint invoking the Bergen Community College Code of Student Conduct can be filed with the Office of Judicial Affairs. Both criminal and college processes may be used simultaneously.

*In order for the victim to regain a feeling of control over her/his life, it is very important that the victim make the decisions about reporting, medical attention, and counseling. Bergen Community College is committed to making information available so that students can make informed decisions. Talking with someone about the assault does not commit the student to further actions.*

**X. Statement Of The Rights Of The Accused Student**

• The right to be present at the hearing.
• The right to be informed of the supporting documents against him or her.
• The right to have adequate opportunity to rebut the documentation.
• The right to present documentation on his or her behalf.
• The right to bring to the hearing a maximum of three witnesses who directly observed the incident. Written, signed and dated statements from any additional witnesses will be accepted in advance of the hearing.
• The right to the assistance of an advisor of his or her choice. The advisor may not be an attorney, a member of the student’s family or anyone outside the College community. The advisor does not address the hearing panel or speak for the student at any time during the hearing. The advisor and student may confer during the hearing. The advisor’s role is to assist the student in understanding and clearly responding to the committee’s questions and in making the points related to his or her case. The advisor also may assist the student in preparing his or her opening statement for the hearing. The advisor’s intended role should not be solely moral support.
• The Judicial Hearing Panel must conduct the hearing in an impartial manner that shall not be unduly restricted by the legal rules of procedure, evidence and/or discovery.

• If two or more individuals are involved within the same complaint, individual hearings must be permitted when requested by the student.

• If the accused student desires, he or she may submit a written, signed and dated personal statement in advance of the hearing.

XI. Student Code Of Conduct Process And Procedures

Filing A Complaint

A complaint against a student for violations of this Code may be made in writing by anyone who feels this Code has been violated. A complaint should be made as soon as possible following the incident. A Complaint Form is available in the Public Safety Office. The complainant should include as much detail of the alleged violation as possible and to the degree possible include specific references to that part of this Code that pertains to the complaint.

The Student Code of Conduct process is different from criminal and civil court proceedings. Procedures and rights in Student Code of Conduct proceedings are conducted with fairness to all, but do not include the same process afforded by the Courts.

The complaint should include:

1. Complainant’s name, address and telephone number.

2. The name of the person who is being accused of a violation of this Code.

3. The date(s) on which the alleged incident occurred.

4. The place(s) where the alleged incident occurred.

5. A statement describing, in detail, the alleged incident.

6. The name, address and telephone number of any witnesses.

In exceptional circumstances, provisions may be made to protect the identity of reporters and witnesses upon request.

Initial Investigation

Upon receipt of a complaint or College police report, the Assistant Dean of Student Life & Judicial Affairs will inquire as to the circumstances surrounding the event in question to determine whether there are sufficient grounds to believe that a violation of this Code occurred. The Assistant Dean of Student Life & Judicial Affairs or designee will schedule conferences and obtain a written statement from the complainant, accused student, witnesses and/or other persons directly involved in the incident.

1. Based upon the sufficiency of the complaint or report filed, the Dean of Student Life & Judicial Affairs or designee may investigate the circumstances surrounding the
incident in question and determine whether it warrants an administrative hearing with the Dean of Student Life & Judicial Affairs and/or his designee, a hearing before the judicial board or referral to the appropriate student conduct process within the College. If the Dean of Student Life & Judicial Affairs determines the complaint does not warrant further action, the matter will be closed. Such determinations are appropriate where the complained conduct does not violate this Code, and/or when there is insufficient evidence to support a reasonable belief that this Code has been violated.

2. **Interim Suspension**

Pending the completion of the Dean’s investigation and subsequent hearing process, the Dean of Student Life & Judicial Affairs is authorized to place an accused student on interim suspension for reasons related to his or her physical or emotional safety and well-being, to protect the integrity of the investigation, pending the outcome of a psychological or medical assessment and/or for reasons relating to the safety and well-being of students, faculty, staff, or College property. In some cases, the accused student may be permitted to attend classes but be suspended from all other campus activities. This determination will be made by the Dean of Student Life & Judicial Affairs and/or his designee based upon his/her knowledge of the potential threat posed by the accused student’s presence on campus. Whenever such action is taken, a hearing before the judicial board will be convened within ten (10) business days, unless an extension is agreed upon. The hearing process is outlined below. At the time of an interim suspension, a Temporary Campus-Wide Notice of No Trespass may be issued. These documents identify campus locations and events as off limits to the accused student until further notice.

Subject to the availability of the respondent, the Dean of Student Life & Judicial Affairs or designee will conduct a pre judicial hearing conference prior to imposing an interim suspension. If the student is not available, an interim suspension may be imposed for the safety and security of the student or others until such time the accused student becomes available. At the pre judicial hearing conference, the accused student will be given the opportunity to demonstrate to the Dean of Student Life & Judicial Affairs or designee a compelling reason (e.g. mistaken identity) why he/she should not be interim suspended pending a hearing before the judicial board.

3. **No-Contact Order**

The Dean of Student Life & Judicial Affairs may impose a limited or campus-wide No-Contact Order between parties to a complaint when the fear of retaliation and/or harassment may be present. Specific instructions will accompany the No-Contact Order outlining to all parties the expected behavior including face-to-face contact, correspondence, e-mail, instant message or telephone. Friends and relatives are also prohibited from contact on behalf of either party.
Notification

1. If the Dean of Student Life & Judicial Affairs or designee determines there is reasonable cause to believe that a violation of this Code has occurred, the accused student will be notified in writing upon receipt of the complaint. The notification time may be longer if necessary to complete the investigation.

2. This written notice will include:
   a. The complaint identifying sections of this Code at issue and sanctions that may result;
   b. A copy of this Code and procedures applicable to the complaint;
   c. A request that the accused student provide a written explanation of the incident (if no prior statement was obtained); A directive to contact the Office of Judicial Affairs to schedule a Student Conference.

Student Conduct Conference

1. The Dean of Student Life & Judicial Affairs or designee will conduct a prejudicial hearing conference with the accused student.

2. At the prejudicial hearing conference the accused student will:
   a. Be informed of the information provided to date by the complainant and other persons;
   b. Be given an opportunity to raise questions and discuss the information;
   c. Be given the opportunity to admit the allegations and accept responsibility for the violation(s);
   d. Be given the opportunity to deny the allegations;
   e. Be informed of the process and possible remedies and sanctions that may result.

3. As a result of the prejudicial hearing conference, the Dean of Student Life & Judicial Affairs or designee may:
   a. Dismiss the complaint;
   b. Refer the complaint to the Health and Wellness Office for personal counseling for appropriate follow up including mediation with the complainant;
   c. Refer the complaint to the appropriate administrative process within the College;
   d. Resolve the complaint informally or impose a remedy and/or sanction that does not warrant suspension or expulsion;
   e. If the accused student does not agree with the decision made at the Student Conduct Conference, the student has the right to appeal the decision to the next level administrator within three (3) business days of receipt of the
decision letter. The appeal process will be given in writing at the time of the decision letter.

f. Determine that a hearing before the judicial board is appropriate. The Dean of Student Life & Judicial Affairs may then refer the matter for a Hearing within ten (10) business days.

Student Conduct Hearing

Notification of a hearing before the judicial board will be provided by the Dean of Student Life & Judicial Affairs or designee to the complainant and the accused student by regular mail to the student’s campus address or address of record, and email to the student’s official @me.bergen.edu account. Delivery is considered to be confirmed when it is sent to the student’s account. It is the responsibility of the student to check his/her College email. The notice will include:

a. The name of the complainant;

b. The nature of the complaint, including the specific code sections alleged to have been violated, applicable conduct procedures and the sanctions that may result;

c. The time and place of the hearing. All hearings before the judicial board will be scheduled during regular business hours. (9 a.m. – 5 p.m.);

d. The right to have witnesses. It is the responsibility of the complainant and the accused student to contact his/her witnesses and arrange for their participation. All student witnesses are required to complete and sign a Family Rights and Privacy Act (FERPA) form. No less than 48 hours prior to the hearing, the complainant and accused student must provide a list of witness names and a statement of their witness’ anticipated testimony if a prior statement has not been given to the Assistant Dean;

e. The right to have an advisor. (The advisor may not be a witness at the hearing or otherwise participate in the hearing.);

f. The right to present relevant information;

g. The names of others who will be present at the hearing (if known), including the names of the hearing officers;

h. Notice that a Document File compiled by the Office of Judicial Affairs with statements from the complainant, accused student and witnesses and any other documentary information will be available to the accused student, the complainant and their advisors for review at least three (3) days prior to the Student Conduct Hearing. An appointment is required to review the Document File. Copies may be made available upon specific request.
Students should note that disciplinary action may be taken, and sanctions may be imposed, if they fail to attend the initial conduct conference or any subsequent hearing. Students who fail to appear after being provided with notice will be deemed to have pled not responsible to the pending charges.

A student may submit a written request setting forth good cause to delay the hearing. Except in emergency situations, no written request for a postponement will be considered unless received at least three (3) business days before the hearing.

**Members Of The Judicial Board**

Hearings before the judicial board for violations of this *Code* will be conducted by a trained member(s) of the College faculty, staff, or consultant designated by the Office of Judicial Affairs.

**Conduct Of The Hearing**

The hearing panel shall consist of not less than three nor more than five members of the Judicial Board, which panel shall listen to the proofs presented by the Chief Judicial Officer, any documentation submitted by the Chief Judicial Officer, and shall hear the testimony of witnesses, including, but not limited to, the accused. After hearing all of the necessary testimony and reviewing all of the necessary documents, the hearing panel shall determine whether the member of the College community is responsible for the charges alleged against him or her or not responsible. If the determination by the hearing panel is that the person is responsible for the charges against him or her, then the Chief Judicial Officer shall advise the hearing panel of the appropriate sanctions that should be imposed upon the person. The hearing panel shall then determine what sanctions should be imposed after hearing presentation from the Chief Judicial Officer. If the hearing panel finds the person is not responsible, then the matter shall be closed, but the Chief Judicial Officer shall meet with the person to explain the effect of further violations of the Code of Student Conduct.

The hearing will be closed to all members of the campus and outside community except for those directly involved with the complaint. The complainant and the accused student each have the right to be assisted by an advisor of their choice who is not a witness in the complaint. If the victim of the alleged act of misconduct is not the complainant, the Hearing Officer may also allow the victim to attend. An advisor may be present to advise only and may not participate. Advisors who interfere with the proceedings can be excused by the hearing officer. Only persons involved in the hearing process will be permitted in the vicinity of the hearing.

An audio recording of the hearing, but not the closed deliberations of the judicial board, will ordinarily be made and kept by the Office of Judicial Affairs. If the recording is not made for any reason, the decision of the Hearing Board will include a summary of the
testimony and shall be sufficiently detailed to permit review by the Dean of Student Life & Judicial Affairs.

It is expected that participants and advisors will respect the dignity and privacy of Bergen Community members and keep private that which transpires during the hearing, in accordance with federal law.

Student witnesses, when called by the College on behalf of the complainant, the accused student, or the College, are required to participate in the hearing process.

The hearing process will be conducted in the following manner:

a. All participants and advisors will be introduced to the Board Chair.

b. The Chair will recite the complaint against the student and all code sections alleged to have been violated.

c. The accused student will state whether he/she is responsible, not responsible, or responsible with an explanation for the alleged misconduct. Responsible with an explanation means the student admits to the actions, but believes there were circumstances that should be taken into consideration by the Chair in the determination of this complaint.

d. Statements regarding their respective positions may be given by the complainant and the accused student. The Chair may place reasonable time limitations on the statements.

e. The College reserves the right to assign a representative of the Office of Judicial Affairs to present the complaint against the respondent.

f. Relevant records, documents, and written statements may be accepted and considered by the Chair.

g. The complainant and the accused student may be present throughout the entirety of the proceeding, except for the deliberation phase. The complainant, the accused student and the Office of Judicial Affairs representative will be able to present witnesses, who will be subject to cross examination. Witnesses will be asked to affirm that their testimony is truthful and may be subject to charges of intentionally providing false information to the College. Witnesses will be asked to remain until the end of the hearing in the event they must be called back for clarification of their testimony. In the event that a witness is unavailable, a signed statement from the witness may be admitted. Any such statements will be shared with the parties prior to the hearing, and the accused student will be given full opportunity to respond to the written statement at the hearing.

h. Witnesses will appear separately and will leave the hearing room after their testimony is completed. Witnesses are not permitted to leave the vicinity of the hearing room until permission has been granted by the hearing officer, and
are instructed not to communicate with other witnesses outside the hearing during the proceedings.

i. All parties may question each other and the witnesses, and the Chair may direct questions as appropriate to any participant. The complainant and the accused student may present concluding remarks. The Chair may place reasonable time limitations on the statements.

j. At the conclusion of the hearing the Chair will advise the complainant and the accused student that his/her determination will be given, in writing, to the appropriate parties within ten (10) business days.

k. The accused student’s prior student conduct record will be a factor in determining the appropriate sanction(s).

l. At the conclusion of the presentation of all of the facts on the charges(s), the Hearing Board will retire for closed deliberations. The Board deliberations will not be recorded or transcribed. The determination of the Board concerning each charge will be supported by a brief written summary of the findings relied upon by the Board. The written summary will be placed in the case file and made available to the respondent.

m. The complainant will not be notified of the outcome of the hearing EXCEPT in cases of violence or sexual misconduct, once the decision of the hearing officer has been issued.

n. For each separate offense, the Hearing Officer will determine whether the accused student is responsible or not responsible. The decision will be based upon an evaluation of the information presented and a determination as to whether this Code was more likely than not to have been violated. For each violation, the hearing officer will impose an appropriate remedy and/or sanction.

o. The rules of evidence applicable to the courts do not apply to Code proceedings of this College community. Fair process applicable to this process is as defined in these procedures.

p. The Dean or designee may implement changes to these proceedings as needed that do not jeopardize the material fairness owed to the parties to any complaint.

Remedies And Sanctions

A. The following remedies and sanctions may be imposed when accused students have been found responsible for violation of this Code. In addition, other remedies and sanctions may be fashioned at the discretion of the hearing officer:

1. **Written Warning** - to the offender that the conduct must stop and any continuation may be a basis for more severe action.
2. **Probation** - Notice that further violation of this *Code* may result in expulsion. Also, the decision may place some additional restrictions on membership in student organizations and/or participation in activities or may establish special restitution and service requirements.

3. **Suspension** - Revocation of the privilege of attending the College and using its facilities for a period of not less than one semester and not more than two academic years.

4. **Facilities Restriction** - Revocation or restriction of privileges for the use of some but not all College facilities

5. **Expulsion** - Permanent termination of student status and rights to be present on College property and attend/participate in College-sponsored events

6. **Referral to civil or criminal authorities.**
   
   Any of the following may accompany a remedy and sanction.

   1. **Restitution** requiring individuals to restore or replace within a specified time, property which has been damaged, defaced, lost or stolen.

   2. **Service assignment** requiring an individual to perform services for the community or the College

   3. **Referral** to appropriate psychological or psychiatric service for evaluation, mandated assessment, or other special help.

   4. **Fines** for drug and alcohol violations as outlined in the Student Handbook.

   5. **Campus-Wide Notice of No Trespass** will accompany a sanction of suspension or expulsion from the College.

   6. **Campus-Wide No Contact Order**: The Dean may impose a Campus Wide No-Contact Order between parties to a complaint when the fear of retaliation and/or harassment may be present. Specific instructions will accompany the Campus-Wide No-Contact Order outlining to all parties the expected behavior including face to face contact, correspondence, e-mail, instant message or telephone. Friends and relatives are also not permitted to have any contact on behalf of either party.

B. Underage students found in violation of the College’s Alcohol Policy and/or sanctioned for the possession or distribution of illegal drugs will be subject to the College parental notification policy. (See FERPA Policies and Procedures in the Student Handbook). In addition, the College reserves the right, in accordance with the Family Education Rights and Privacy Act of 1974 (FERPA), to make public notification of the final results of certain student conduct actions (See FERPA Policy in The Guide). Such notification may include the name of the student offender and
the type of violation, but will not disclose the names of any other students who were involved as victims or witnesses without their consent.

Judicial Board Hearing Appeal Procedures

A. Where an individual is found responsible for a violation of this Code that may lead to a sanction less serious than suspension or expulsion, the individual can appeal in writing to the Vice President of Student Affairs and/or his designee within three (3) business days of receipt of the Judicial Board’s determination. A person will have the right to request a final review based on any of the following grounds:
   1. A sanction that is substantially disproportionate to the severity of the violation.
   2. A material deviation from written procedures that jeopardized the fairness of the process.
   3. A demonstrable bias by a member(s) of the Hearing Board.
   4. New information, unavailable at the time of the hearing, that could be outcome determinative.

B. In the case of suspension or expulsion, the student can appeal in writing to the Vice President of Student Affairs and/or his designee within three (3) business days of the receipt of the judicial board’s determination.

C. In the case of suspension or expulsion, the student will not be permitted to be on campus or attend classes pending the outcome of the appeal unless implementation of the sanction is delayed by the Vice President of Student Affairs and/or his designee due to extraordinary circumstances.

Appeal Of Suspension/Expulsion To The Vice President of Student Affairs

The request for review of an appeal will be considered by the Vice President of Student Affairs and/or his designee to determine whether grounds for an appeal exist. A person will have the right to request an appeal based on any of the following grounds:
   1. A sanction that is (substantially) disproportionate to the severity of the violation.
   2. A material deviation from written procedures that jeopardized the fairness of the process.
   3. A demonstrable bias by a member(s) of the board.
   4. New information, unavailable at the time of the hearing, that could be outcome determinative.

Request for Appeal to the Vice President of Student Affairs

1. The Vice President of Student Affairs and/or designee will review the written request for an appeal within five (5) business days of receipt to determine whether there is sufficient basis to grant an appeal. If so, he/she will proceed to hear the
appeal, or return the complaint to the original hearing body for reconsideration or rehearing in light of the basis for the appeal.

2. If the Vice President of Student Affairs and/or his designee determines that there is not a sufficient basis to change the decision of the hearing officer, the student will be notified in writing within five (5) business days.

3. Appeals are deferential to the original hearing decision, and are not intended as a rehearing. If the Vice President of Student Affairs and/or his designee hears the appeal, he/she may determine that there is a sufficient basis to change the decision of the hearing officer if there is clear error or compelling justification, only. If so, he/she may reverse, sustain or modify the decision, or change the sanction. Normally, appeals involve a review of the hearing record and appeal request. At the discretion of the Vice President of Student Affairs and/or his designee, the parties, witnesses or written documentation may be interviewed/reviewed as necessary to assure fairness.

4. The decision of the Vice President of Student Affairs and/or his/her designee will be final.

We hereby agree to the following terms.

The Washington Center at The Evergreen State College will:

1. Offer a summer institute: We will provide instruction, consultation, reading materials and resources at the July 14-18, 2014 learning communities institute at The Evergreen State College.

2. Provide ongoing support: We are available to provide informal consultation and assistance via phone, fax, and/or electronic mail before and after the institute.

3. Provide information for a follow-up site visit, if requested: We will recommend selected consultants based on campus needs, goals, and geography.

Bergen Community College will:

1. Send a team of at least five members to the institute that includes faculty members, administrators, and student services staff.

2. Provide the institute registration fee of $1,290 per person. This fee covers campus housing, workshops, seminars, sessions, all meals except for one dinner, resource materials, and the costs of instruction and resource consultants at the institute. Cancellations can be made until June 14, 2014 for an 80% refund of the registration fee. After June 14, 2014, no registration fees can be returned. Teams are responsible for arranging and paying for transportation.

The Bergen Community College NSILC team, coordinated by the team lead, will complete the following pre-institute preparations by the specified dates:

1. Participate in a phone call with a Washington Center co-director, and return the signed memorandum of agreement and payment by March 14, 2014.

2. Finalize the list of team members and have all team members’ registration forms sent to washcenter@evergreen.edu by March 31, 2014

3. Discuss the LC Program Audit at a team meeting and complete the team audit by Tuesday, April 25. Individual team members should complete the audit before the team meeting and bring their completed copies to the meeting.
