Students also have ready access to all Microsoft Office software so they can be required to work processes any work submits.
nt learning activities for BUS 207 students. Some examples of projects that can be assigned to individuals or groups are:
asessment measures that students in every section of BUS 207 must complete. Faculty may choose the methods by which
Facade are encouraged to use multiple methods of assessment and to assess students' and students' study.
A minor and financial aspect of study

Some example...
### BCC Attendance Policy:
All students are expected to attend punctually every scheduled meeting of each course in which they are registered. Attendance and lateness policies and sanctions are to be determined by the instructor for each section of each course. These will be established in writing on the individual course outline. Attendance will be kept by the instructor for administrative and counseling purposes.

### Attendance Policy in this Course:
It is at the instructor’s discretion to institute an attendance policy. If a student will be penalized for absences and lateness, it is incumbent upon the instructor to include those provisions in the outline.
