# my.bergen.edu

How do I access my course from the college portal site?

After you login to the portal site, you will find your distance learning courses listed under My class sites

My Class Sites

≫ Expand All ≪ Collapse All

Class Announcements in the last 20 days

🏫 2012SP CIS-158-008 ⌄

🏫 Resource Area - Getting Started with Moodle ⌄

1. Click on the course ID# to access your distance learning course.
2. If you are logging in for the first time you will be prompted to enter your username and password again.

The first time you login to your Moodle course from the BCC Portal page you will need to enter your credentials again.
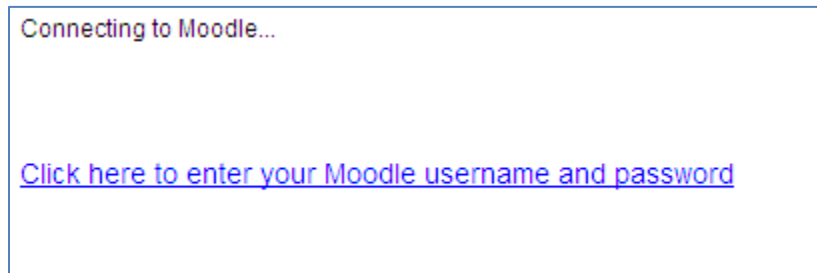

Click here to enter your Moodle username and password

3. From this screen Click here to enter your Moodle username and Password
4. Type in your username, password and confirm password to authenticate your credentials and click **OK**.

BCC Portal

Faculty	Name	Value

		OK Cancel

my.bergen.edu

5. You should see the screen flash a message on the screen "Connecting to Moodle…"

```
Connecting to Moodle...

Click here to enter your Moodle username and password

```

6. Wait for a couple of seconds and you should see your course displayed on your computer screen.

If you do not find your course on the screen call the help desk at 1-877-612-5381
