ARTICLE IV: MEETINGS AND PROCEDURE

1. The Staff Senate shall meet eight times (September, October, November, February, March, April, June and July) annually. Meetings will be scheduled one year in advance and communicated to the Staff Senate membership in the June meeting each year. Meetings shall begin as closed working sessions with an open session afforded at each meeting.

2. Attendance of delegates is required for the scheduled meetings. No more than three absences will be allowed per member per year. The Staff Senate President has the authority to appoint a member to fill the vacancy for the duration of the term.

3. A quorum for the Staff Senate will contain a simple majority of the full membership (a minimum of 16 of the 30 elected members), unless a seat has been announced by the President of the Staff Senate as being vacant; at which time quorum will contain a simple majority of the full elected membership.

4. Robert’s Rules of Order (Revised) shall be used to run the meetings.

5. Special meetings may be called by the President acting independently or upon written request of the members of the Staff Senate, or upon request from the College President and/or Board of Trustees and shall be announced at least two weeks in advance with a proposed agenda.

6. A proposed agenda for each meeting must be provided by the President of the Staff Senate two weeks prior to each meeting; all supporting documents will be provided with the agenda.

7. Completed meeting minutes must be provided by the Secretary of the Staff Senate for the membership to review two weeks prior to the subsequent meeting.

Implementation of the new election process will commence in March 2015 with an implementation date of March 2014; thereafter, elections will take place in April with service occurring the academic year beginning July 1st and ending June 30th.

2. Members of the Staff Senate may not serve on the Election Committee if they are running for an Executive Officer position. Implementation of the new election process will commence in March 2015; thereafter, elections will take place in April with service occurring the academic year beginning July 1st and ending June 30th.

ARTICLE VI: OFFICER ELECTIONS

1. The Election Committee shall establish the election process with results conducted and communicated in a manner of honesty and integrity.
2. Members of the Staff Senate may not serve on the Election Committee if they are running for an Executive Officer position.

3. In the case of the first election of Staff Senate officers, there will be a one time “staggering” of terms of office in order to create a natural rotation of leadership. The President and Secretary elected as the first to their positions will each have a 2-year term; the Vice President and Parliamentarian will each have an initial 1-year term. In the case of the first elected President and Secretary, after completing 2 consecutive years of service, they must “sit out” one year as leaders and therefore, they will not be allowed to run for any office until one full year has elapsed.

Once elected as a Staff Senate Officer (President, Vice President, Secretary and Parliamentarian) the elected member may not serve in any one of these elected roles for more than one term and may not serve in any other elected position for one full year after their term of office has ended.
