Meet with Grants Office

Target priority funding sources and due dates

Assess any internal funding possibilities

Find out how the grants approval process works

Form a Mathematics Grant Project Team

Obtain sample grant as reference guide

Hold initial team meeting

Review "highlighted" RFP requirements

Brainstorm and draft short "working title" and purpose

Identify needed background information, data or other research

Assign roles and tasks

Establish flowchart or work plan using RFP—working backwards from due date

Develop checkpoints and regular communication process with your team and others

Begin Grant Story Map using bullets or short answers for topics in each box

Confirm internal and external partners, verify their commitment, and ask for letter of support

---

Awarded 2nd Round OVW Funding

BCC, its internal constituents and external community partners, including victim services providers, criminal justice agencies, medical and health providers, education and advocacy organizations with an investment from Office on Violence Against Women will Institutionalize a part-time campus Violence Intervention Prevention Coordinator (VIPC) position; Institutionalize mandatory training for Law Enforcement, Judicial Affairs, Peer Ambassador Leaders (peer advocates), Campus Security Authorities (as defined by the Clery Act) and voluntary training for faculty and staff; Institutionalize SA, DV, DaV & Sta mandatory online education and bystander programming for all incoming students by capitalizing on the infrastructure put in place in the last grant cycle. Institutionalize the bystander program Green Dot by hiring a bilingual Bystander Intervention Facilitator (BIF) and providing bilingual training to key staff so that they can continue the program even after the grant money expires for the BIF; Institutionalize data collection methods, policies, and protocol by including these as part of the duties of the newly developed VIPC position; and develop a culturally specific prevention and intervention program to meet the needs of LGBT students and students with disabilities as they relate to SA, DV, DaV & Sta.
