This Memorial Mathematics Award was established in honor of Dr. Eric Lubot who was a long time member of the mathematics faculty at Bergen Community College. He served as the Chair of the Mathematics Department and was an active participant in both college and community functions.

The $ 1000 award is to be granted to a student who plans to continue his/her studies in mathematics at a four-year college or university during the 2013-2014 academic year. Each year, the Lubot family will select the award winner from the applicants who apply for it.

If you will be graduating this year with an Associate in Science Degree in Mathematics and would like to apply for this award then please complete the application.

Submit the completed application to the Mathematics Department (room A-325) by no later than February 20, 2013.
