In return, we ask that our partners in this community assume their individual and collective responsibilities to make Bergen Community College a place that is safe from crime, and to provide a civil and open environment that fosters learning.

The authority by which the department operates, along with the resources that are provided for it, are granted to the department by the College and are an affirmation of the College’s trust. All members of the College community must recognize that the proper use of these resources assist the College in offering a comprehensive set of accessible, affordable, high-quality courses and programs that are designed to meet the demands of the community.

Statement of Enforcement Authority on Campus

The Public Safety Department is staffed 24 hours a day, 7 days a week, 365 days a year. Public Safety Officers provide assistance and protection to persons and property for the college. They maintain orderly conditions and take measures required to assure observance of the law. Its employees utilize foot and vehicle patrols to observe, report, and respond to situations or activities with potential to pose a danger to persons or property. PUBLIC SAFETY OFFICERS ARE UNARMED AND DO NOT HAVE POLICE POWERS. Police related incidents are handled by the Bergen County Police Department which maintains a substation on campus.
Security Tips

1. Be aware of your surroundings at all times; pay attention to what other people are doing.

2. Always lock your room and vehicle. Keep valuables out of sight.

3. Acknowledge that excessive alcohol consumption decreases your personal safety because your judgment is impaired. Do not compromise your own security.

4. Do not use shortcuts through the woods; stay on the lighted paths. Walk with a friend or in a group.

5. Look out for one another at all times.

6. Vacate all buildings immediately when a fire alarm sounds.

7. Recognize that campus crimes are committed both by members of the College Community and by outsiders.
8. Make prudent judgments in all your interactions with others and report suspicious persons or activities.

Call Public Safety on extension 6 if using internal phones, or dial 201-447-9200 if using outside phone.

**Emergency Evacuation**

In every building on campus, there are exit signs and evacuation plans, which are affixed to the walls. You should become familiar with the exit routes and evacuation plans before an emergency occurs. In the event of an emergency, please remain calm, gather only what clothing would be required for the current weather conditions and exit the building. **DO NOT USE ELEVATORS IN TIMES OF EMERGENCY!**

Emergency response is the responsibility of the Department of Public Safety. Should the situation demand further response, mutual aid is provided by the Bergen County Police Department. Public Safety will direct you further depending on the situation. If a different location for your safety is required they will coordinate that move.

Evacuation drills are conducted once a year. During these drills if you notice anything that may cause a safety concern during a real evacuation please notify the Department of Public Safety. These drills are also evaluated to make further improvements to the evacuation policy and procedure. Evacuation drills are not announced and are also conducted with volunteer Fire Marshals who act as support for the Department of Public Safety.

**Evacuation Procedures**

In the event of an emergency, please remain calm, gather only what clothing would be required for the current weather conditions and exit the building. Public Safety Officers and volunteer Fire Marshals are there to assist and ensure the evacuation is complete. Public Safety will respond and provide further directions, depending on the situation. If a different location for the students’ safety is required they will coordinate that move.

**In case of a fire you should:**
A. Activate building fire alarm system; B. Call 6 on any campus telephone. On cellular or off campus phone dial 201-447-9200 or 911. C. Report the exact location of fire.

**In the event that a fire alarm sounds, please follow these procedures:**
A. Feel the closed door of your room. If it feels hot or the hallway is filled with smoke **DO NOT OPEN THE DOOR.** Go to your window and wait for rescue. If the door is cool, **CLOSE YOUR WINDOWS** before opening the door slowly.
B. Upon leaving the room, leave the lights on and the door **CLOSED.** Be sure to take your coat and key with you.
C. If you cannot leave the room:
   1. Open the windows if there is smoke; if there is no smoke, leave the windows closed to prevent outside smoke from being drawn into the room.
   2. Seal cracks around the door with towels, damp if possible.
   3. If you are trapped, attract attention by hanging an object from the window – the brighter the color, the better. If outside smoke is drawn in, close the window, leaving the object hanging.
D. If smoke is severe, place a wet cloth over your nose, and **remember** to stay low, close to the floor where it is cooler and the air is cleaner.
E. When you are evacuating a building:
   1. Walk at a brisk pace, but **DO NOT RUN.** Go to the nearest exit or stairway.
   2. **DO NOT USE ELEVATORS.**
      3. Follow the posted specific corridor instructions as to proper exit route and assembly point.
      4. Move in a single file along the wall upon which the exit is located. Once outside the building move at least 75 ft. to 100 ft. away from the building.
      5. Do not reenter the building until instructed to do so by a Public Safety Officer or volunteer Fire Marshal.

4. IF THE EMERGENCY APPEARS TO BE IMMEDIATELY LIFE-OR PUBLIC SAFETY-THREATENING, OR INVOLVES THE COMMISSION OF A SERIOUS CRIME, CALL 911. (CALLS FROM INTERNAL BCC PHONES MUST BE MADE BY DIALING 911).

How Threatening Situations are Handled by Bergen Community College Personnel

If someone commits an act deemed immediately threatening and/or dangerous, certain College administrators, including designated members of the Public Safety Department and On-Call Administrators, can immediately affect an interim suspension from the College. When serious violations of the law occur, the College alerts the Bergen County Police, whose members can affect an arrest. Criminal court charges may then result in addition to campus judicial system proceedings. Students are strongly urged to report crimes and violations of College policy, so they and their fellow students are protected to the maximum extent possible.

Specific Mechanisms for Reporting Crimes

Regular Reporting

Individuals, who wish to report a crime or another matter of concern, including violations of college policy, should complete an Incident Report form. These forms are available in the Public Safety Department (L 154). Persons using this form normally will be asked to provide their name and contact information. All reported violations are investigated either by Public Safety personnel, by other appropriate college staff members, by outside law enforcement agencies, or by both working cooperatively. Public Safety Department personnel also fill out Incident Reports when they respond to the location of a crime or other event of concern to the safety and security of the campus.

Anonymous Reporting
Confidential Tip Line. If a member of the campus community notices any suspicious/criminal activity or something that appears out of the ordinary, please call the Confidential Tip Line (201-689-7070) and leave a message. Anonymity will be protected.

Timely Warning Reports (Cleary Act)

In the event that a situation arises, on or in the immediate vicinity of Bergen Community College which is considered threatening or a potential threat to the College community, a campus wide TIMELY WARNING will be issued to heighten safety awareness. It will be the judgment of the Executive Director of Safety, Security & Crisis Management in collaboration with other college officials to determine the appropriate content of the TIMELY WARNING, and the best method(s) for disseminating the information as quickly as possible in a manner which best protects the campus community. The TIMELY WARNING can be sent out via the College’s Emergency Notification System which includes text messages, email alerts, alerts on college website, and any other way deemed necessary. The content in the TIMELY WARNING may include a concise statement of the incident and location, any possible connection to previous incidents (if applicable), physical description of the suspect, date and time TIMELY WARNING was released, and any other relevant information needed.

Daily Crime Log: Policies and Access (Cleary Act)

The Cleary Act requires that the college maintain a daily Public Crime Log covering the most recent 60 day period. BCC’s log is located in the Public Safety Office (L 154) and is available for public viewing 24 hours/day 7 days/week, 365 days/year. Persons wishing to view it should simply state their desire to do so the Desk Officer and ready access will be provided. If someone requests information beyond the 60 day window, it will be provided within 2 business days. The log contains information about the nature of the reported crime, the date and time reported, the date and time it occurred, the general location, and the disposition of the matter by the college. All crimes (not just Cleary-reportable crimes) are entered in to the log. Log entries must be made within two business days of the report being made to the Public Safety Department. There are two exceptions when entries are permanently excluded from the Public Log. One is when the disclosure is prohibited by law, and the other is if the disclosure would jeopardize the confidentiality of the victim. In addition there are four instances when information may be temporarily withheld from the Public Log. This withholding can only take place when there is clear and convincing evidence that the release of information would (1) jeopardize an ongoing investigation; or (2) jeopardize the safety of an individual; or (3) cause a suspect to flee or evade detection; or (4) result in the destruction of evidence. Once the release of the information will no longer likely causes one of these adverse effects, it will be placed in the Public Log. Only law enforcement personnel (not Public Safety Department personnel) can determine following an investigation that a crime is unfounded. (i.e. did not occur). Unfounded Crimes., which are very rare, are not included in the annual statistical report.
Immediate Notification

In the event of a confirmed immediate and/or imminent threat to the health and safety of the Bergen Community College community (i.e. active shooter, tornado, hazardous material spill, etc.), an IMMEDIATE NOTIFICATION shall be made. The IMMEDIATE NOTIFICATION will be made without delay to the Bergen Community College community via the college’s Emergency Notification System which includes text messages, email alerts, alerts on college website, and recorded messages on cell/home phones, along with the college’s internal IPcelerate system (messages through classroom/office phones). The Executive Director of Safety, Security & Crisis Management, in collaboration with other College officials will determine the appropriate content of the IMMEDIATE NOTIFICATION and the best method(s) for disseminating the information as quickly as possible. The Executive Director of Safety, Security & Crisis Management and Authorized College Personnel has the responsibility for issuing notifications through the College’s Emergency Notification System.

The Emergency Notification System is a free service which students and staff can register for in order to receive information directly to their email account, and cell/home phones in the event of an emergency or campus closure. Students and staff are able to register for this on the College’s web page (www. bergen.edu).

Why Getting HELP is So Important

Rape is a Sexual Assault and a Crime of Violence

1. Rape is sex without consent. It is one of the most UNDER REPORTED crimes.

2. Rape is a major trauma and a life-threatening situation that affects the victim’s sense of safety, and well-being.

3. The motive is to degrade, control, and humiliate the victim. It is NOT for sexual gratification.

4. No person “asks for” or causes a sexual assault.

5. In 84% of the cases, the assailant was known to the victim.

6. Some victims will seek help immediately following an assault while others may wait days, years, decades to disclose the incident.

Why Intervention is Important: The Rape Trauma Syndrome

Rape is a major trauma. The symptoms and reactions commonly experienced are part of The Rape Trauma Syndrome. Victims may have a mixture of feelings, delayed reactions or one or several primary reactions:

1. Emotional shock - numbness, disbelief

2. Fear – afraid of being alone, of men, crowds, the dark
3. Helplessness – life seems out of control, unpredictable

4. Anxiety – edgy, restless,

5. Physical distress – vague pain, sleep/sleeping problems, nightmares,

6. Guilty thoughts - “I did something to cause it, to make it happen…if only I didn’t…”

7. Shame – “I feel so dirty….what will people think….I can’t tell anyone, ever….”

8. Depression – Crying spells, extreme fatigue, inability to concentrate

9. Disorientation – overwhelmed, uncertain

10. Isolation - “I feel different…I can’t trust anyone…I do not want to be touched…”

11. Anger - “How could he/they do this to me…I want to hurt him…..”

Although women, children and adolescents are more vulnerable, men and boys can also be victims of sexual assault. Male sexual victimization is considered by some experts to be one of the most under-reported crimes in our society.

Providing Emotional Support

Although it may be uncomfortable listening to the details of a sexual assault it is important to remember that the victim has chosen to tell you about the incident. They have probably done so because they trust you. You can assist the victim by being a good listener and by helping the victim obtain the information needed to make informed decisions about how to proceed.

Victims may struggle with many concerns related to self-disclosure. Some victims seek out help immediately following an assault while others may wait months or years to break the silence. When an individual has been sexually assaulted, their sense of control over their life and very own body have been taken away. In order to regain this sense of control it is imperative that the victim be allowed to make decisions on how to proceed, including who to tell, whether or not to report the incident to Public Safety and/or the Police, and if and where to obtain medical and/or psychological treatment.

The following information is presented to assist you in helping victims with these concerns. If you have any questions about handling a situation feel free to consult with a Personal Counselor in A-118, or Professors Stafford Barton in HS100 Ext. 7450, Eileen Purcell in HS100,
Ext. 5557, John Giaimo, Ext. 7458, Mrs. Cristina Haedo, (A-101), Mrs. Lois Carmichael, OSS
Ext. 5547, You will be under no obligation to release the identity of the victim.

The Center handles hundreds of telephone calls a year and the staff can provide a wealth of information on personal safety, medical concerns, police procedures, legal issues and community referrals. They are available to speak directly to victims or to answer the questions of faculty and staff. In addition, advocates of the Center are available 24 hours a day to meet victims on campus or at the medical facility of their choice to provide emotional support and information. Rape Crisis Center staff will also accompany victims wishing to report the crime to the police department and provide support through criminal and/or justice procedures. Whether the sexual assault occurred recently or years in the past, the Center is a valuable resource for both victims and concerned others.

Safety First

It is important that the victim of a sexual assault receive immediate information for their safety. All victims should be questioned to make sure that they have a safe place to stay. If the victim does not have a safe place to stay, they should be referred to Health Services, the VP of Student Affairs, or to a Personal Counselor.

To Report or Not to Report
The decision of whether or not to report a sexual assault to Public Safety (if it was an on-campus sexual assault or the local Police (if it was an on or off campus sexual assault) is a complicated issue. It is the victim’s decision. If the individual wants to pursue campus disciplinary and/or criminal charges, filing a report is the first step in the investigation/judicial process.

It is important to note, however, that reports of sexual assault made to Public Safety may not remain totally confidential. Information about the incident will be reported both internally to specific BCC staff with a “need to know” and externally to the local Police. Once a report is filed with Public Safety the investigation process is set in motion and the local Police will be contacted and will come to campus to also investigate the incident. Public Safety also has an obligation under the Cleary Act to report the date of the incident to the State.

Individuals who decide not to pursue external criminal charges against their assailant will be required to sign a waiver form by local Police. Public Safety officers can help the victim contact the local Police. Students may also contact local police on their own whether the assault occurred on or off campus. Bergen County Rape Crisis Center can send an advocate to accompany victims who have decided to report the assault to the Campus Public Safety or local police.
Victims choosing not to pursue charges through the county court system may still file charges through the Vice President of Student Affairs office (201-493-3742) or through the Dean of Student Life & Judicial Affairs (201-447-7215).

Medical Issues

The physical health of the victim is critical. A rape is a medical emergency and the individual must obtain immediate medical care and treatment from the closest medical emergency facility.

If the sexual assault was recent, occurring within the last 5 days/or 120 hours, the victim might consider having an examination for evidence collection. This examination can be performed at a local emergency room. An evaluation for evidence collection is typically not performed until the police are notified about the assault. Police are notified only at the request of the victim.

At the hospital the victim can also be tested for sexually transmitted diseases. Immediate treatment may be prescribed to prevent STDs and unwanted pregnancy. Follow-up care will be recommended as STDs testing must be repeated at some later date. It is recommended that victims contact the Bergen County Rape Crisis Center (201-487-2227) to learn about options. Victims who decline assessment and treatment at the hospital can obtain information on alternative treatment options at Student Health Services (ext. 9257).

Psychological Issues

The Rape Crisis Center reports that nationally, an estimated that 1 out of 3 American women are raped at least once in her lifetime. Although the rapist is typically depicted as a creepy stranger with a knife, most rapists are considered friends or friendly acquaintances. A study conducted on 32 college campuses (Koss, 1987) revealed that one in four women who had been a victim of rape or attempted rape knew their attacker 84% of the time.

Emotional reactions following a sexual assault vary but may include emotional shock, fear, anxiety, shame, guilt, depression, and/or anger. Although victims of both stranger and acquaintance rape may fear for their safety during the assault, victims of acquaintance rape are often more confused about what has happened and who is responsible. They often blame themselves and feel they will not be believed. It is not surprising that they are less likely to tell anyone and therefore less likely to receive appropriate information, support and treatment.

Often, rape-related symptoms persist months to years following a sexual assault. These symptoms may include intrusive memories related to the incident (e.g., flashbacks, nightmares, intense psychological distress), an avoidance of situations, people or thoughts that are reminders of the assault, and increased emotional arousal (e.g., trouble concentrating and sleeping, hyperalertness and irritability). These symptoms may have a negative impact on many aspects of a student’s life including his/her academic performance.

Counseling and/or therapy help to reduce or eliminate the symptoms by teaching victims strategies for dealing with and overcoming the distressing symptoms. It is, therefore, important that victims receive appropriate information on rape-related symptoms and their treatment.
Information on treatment options may be obtained by contacting Counseling Service (ext. 7211) or the Bergen County Rape Crisis Center (201-487-2227). This information is also available in the student handouts, copies of which are included in this protocol.

Your reaction to a victim’s self-disclosure may also impact his/her recovery process. Research has suggested that negative social reactions towards victims are associated with an increase in the victim’s psychological symptoms! Negative social reactions include comments suggesting the victim caused it, by taking away control or making decisions for the victim, by dismissing the event, attempting to distract the victim from her worries, or by saying "just get on with your life."

It is important that staff and faculty respond to victims in a non-judgmental manner. This is not only important for a victim’s well-being, but is considered every student’s right as stated in the New Jersey Campus Sexual Assault Victim’s Bill of Rights. Included in this bill is .the right to be free from any suggestion that victims are responsible for the commission of crimes against them,. and .to be free from any suggestion that victims were contributorily negligent or assumed the risk of being assaulted.. If you have any questions about handling a situation feel free to consult with a Personal Counselor (ext. 7211).

Legal Issues

All sexual assault cases in Bergen County are handled by the special Sex Crimes Unit investigation team. Sexual assault is considered a crime against the laws of the State. The victim does not need to retain an attorney. The Prosecutor’s office assigns an attorney; the victim is considered a witness for the state.

Victims may pursue action against their attacker on-campus or through the county court system. They may choose either of these venues or both. Sexual assault and sexual abuse are violations of University Standards as stated in the Code of Student Rights, Responsibilities and Conduct. Victims who want information on filing campus disciplinary charges should be encouraged to contact the Dean of Student Life & Judicial Affairs (ext. 7215). The Student Handbook offers a description of these proceedings.

Sexual assault is also considered a crime against the laws of the State of New Jersey. When a victim reports an assault to the local police, the police will notify authorities at the Bergen County Sex Crimes Unit in Paramus (201-226-5620). Since the victim is considered a witness for the State, an attorney from the Prosecutor’s Office (201-646-2300) will be assigned to handle the case. Therefore, a victim does not need to retain a lawyer. The Prosecutor will review the case and decide whether or not there is enough evidence to pursue criminal charges. If so, the case will be presented to the Grand Jury. The Grand Jury, which consists of 23 citizens, decides whether or not the suspect will be formally charged with the offense of sexual assault. If charged the defendant will enter a plea before a judge. A sentencing date is set for defendants’ pleading guilty. For others, the outcome of the case is determined by a trial or through a plea bargaining agreement between the prosecution, the defendant and the defense attorney. These legal proceedings may take months to years. A victim may also file a civil suit, to sue his/her attacker for damages.

How the Annual Disclosure of Crime Statistics is compiled

The Dean of Student Life & Judicial Affairs, and the Executive Director of Safety, Security & Crisis Management meet together to verify to the best of their ability the accuracy of the written report necessary to comply with the Jeanne Cleary Disclosure of Campus Security Policy and Crime Statistics Act. All Completed Incident Reports are scrutinized by the Executive Director of Safety, Security & Crisis Management, and the Dean of Student Life & Judicial Affairs to ensure that crimes and referrals required by the Cleary Act are properly reported. A representative of the Bergen County Police Department meets with appropriate BCC Public Safety officials to ensure that all crimes reported to either agency are known to both. Each year, as required by law, crime statistics are disclosed on the college’s website at www.bergen.edu. Crime statistics on a national basis are published by the Federal Government at http://ope.ed.gov/security/search.asp.
School Rules, Disciplinary Procedures and Expectations

In order that a community of people may live and work together in harmony, there must be a commitment to its policies & procedures including behavioral expectations. A community has the right to expect of its members certain standards of achievement and of social behavior, and to this end, Bergen Community College has established a framework of rules and academic expectations. Above all else, personal honesty and academic integrity are the fundamental ingredients for success at Bergen Community College.

Community Statement of Rights

As a member of Bergen Community College, I have the right…
…to exist, in this community free from sexual, racial, ethnic, or religious discrimination or harassment or bullying of any kind;
…to believe, act or appear in ways I choose as long as I am in accord with Bergen Community College’s rules, regulations, and expectations, and so long as I do not infringe on the rights of others;
…to be trusted and treated with respect and with dignity. I understand that any act of theft, lying, cheating, or violence against another will compromise trust and respect and brings serious
disciplinary consequences.

SOCIAL EXPECTATION/DISCIPLINARY PROCEDURES

It is the school’s expectation that all members of the Bergen Community College community will, at all times conduct themselves in a manner which evidences respect for self, for others (faculty, students, staff, guests and visitors) and for the school; the quality of interpersonal relationships among people committed to a common goal is the cornerstone upon which all else is built.

Continuance at Bergen Community College for the following school year will be predicated upon students having met this expectation. The granting of a Bergen Community College diploma will presume the same. In cases where the Dean of Student Life & Judicial Affairs determines that these expectations have not been met, Bergen Community College may opt not to allow a student who has been asked to leave to return and this can preclude the granting of a Bergen Community College diploma.

STUDENT JUDICIAL AFFAIRS POLICY & PROCEDURES

Purpose: To establish guidelines and procedures to ensure just and fair disciplinary action determined by the nature of the offense and to ensure the right of appeal in situations involving minor offenses.

STANDARDS OF CONDUCT

Upon accepting admittance to Bergen Community College, all students acknowledge that while participating in activities on- and off-campus, they are governed by College rules and regulations as well as those set by the Student Senate. Each student is expected to exercise discretion, and act within the limits of decorum and propriety at all times and in all places. Students are accountable for behavior contributing to, or resulting in:

1. Danger to the safety and well-being of themselves or others;

2. A breach of College rules and regulations to include fighting and/or threatening to do bodily harm, possession of firearms or other weapons, sexual assault and/or harassment, the use of intimidation or threatening behavior, use and possession of controlled substances and alcoholic beverages on College property, violation of the College’s computer use policy, theft, the use of abusive and profane language, cheating, and failure to heed instructions of College officials or Public Safety officers in regards to display of appropriate College ID or personal identification.;

3. Disobedience to local, state or federal laws;

4. A disruption of the College’s regularly planned programs and activities.;

5. Academic dishonesty.;
6. The unauthorized use and the abuse of alcohol and the illegal use and the abuse of drugs are specific violations of student conduct. These rules apply when attending college functions either on campus or off campus, or functions of college chartered organizations conducted either on campus or off campus. The College will use the process of criminal and civil law to terminate any campus disruption and to restore College function and prevent injury to persons or property.

Rules and Regulations Governing Conduct

At the beginning of the academic semester, each incoming student is expected to obtain either a hardcopy or a CD of the Student Handbook. The handbook contains information about the College in general; courses of study; student activities; and rules, regulations and procedures essential to student life on campus. Every student is responsible for knowing the information included in the Student Handbook.

The handbook will be available in the Office of Student Life, the Welcome Center and the evening office. Students attending orientation will be informed of the availability. The handbook is also available on the web site and to each student attending the Introduction to the College Experience course.

Rules and Regulations

1. The primary expectation about dress and grooming at Bergen Community College is that people will understand that different occasions call for different attire and that they will keep themselves neat, clean, and modestly dressed. The class dress code is meant to promote a community-wide seriousness of purpose and to minimize distraction still allowing students to be comfortable.

2. Weapons and any objects resembling weapons—are not permitted on the Bergen Community College campus at any time. Given heightened concerns about school violence students must understand that possessing anything that appears to be a weapon while on school property will be treated as a serious breach of the community’s safety. Items not necessarily designed for use as weapons, but still posing a safety risk to students and faculty (including hunting or utility knives, box cutters, BB guns, pellet guns and airsoft guns, etc.) will be considered weapons. Possession of any such item and the attempted concealment thereof would be considered a serious rule violation and carry serious consequences including the need to call upon the Bergen County Police to remove any potential harm or threat to others.

3. Students may not possess firecrackers of any sort at school – they are dangerous, a nuisance, and illegal in New Jersey.

4. Interpersonal Relationships- The school recognizes and supports strong and caring relationships among its students. At the same time, excessive displays of affection in public places can prove to be embarrassing to others in the community and can be of poor taste. Students are expected to use discretion and good judgment in their relationships with others. Understanding that sexuality is a normal part of our nature, but also recognizing the wide range of ages and maturity levels in our community, the potential for unintentional pregnancy and the
possibility of exploitation, the school considers sexual intercourse or other acts of such intimacy to be inappropriate; if found to have taken place under the school’s jurisdiction, they must be dealt with appropriately. Responses to such situations would include consultation with parents and, to the degree relevant, sanctions dictated by the current disciplinary rule in effect. Pornography objectifies and debases both women and men and thus is totally contrary to the values of the Bergen Community College community. Students shall not display revealing objectionable posters, possess or distribute pornographic materials, or use the Internet for viewing or distributing pornographic materials.

5. Health Care – The Wellness Center at Bergen Community College exists for the welfare of all who are a part of the Bergen Community College community. As the medical facility for the campus, the Health Center has the responsibility and the authority to respond to the medical needs of the individuals within the community. Given the responsibility to and for the individual student as well as the Bergen community at large, the school maintains the right to determine at any time in its sole discretion that a student may interrupt or terminate his/her attendance at Bergen Community College by virtue of any condition of the student’s health.

6. Technology and information resources are integral to the school’s mission. Students must understand and accept that access to the information resource environment is a privilege and must be used responsibly and respectfully. Students are expected to abide by the guideline/policies set forth in the catalog. Students are expected to check their e-mail and voice mail accounts each day. The Bergen Community College network does not imply or extend any privacy privileges. Use of the school’s network or of sites such as MySpace, Facebook, etc. to threaten, bully, harass, slander, or embarrass any member of the community shall be considered a serious disciplinary infraction, as shall any deliberate attempt to gain unauthorized access to—or in any way manipulate—information in any other person’s account. Depending on the particulars, the appropriate committee shall hear such cases and recommend disciplinary action to the Dean of Student Life & Judicial Affairs. Use of any Bergen Community College computer to deliver any messages that are disrespectful of others and contain hateful language is a breach of the students’ ability to be enrolled at the school and is subject to judicial action. The remedy for such hateful material may include expulsion from the school.

STUDENT CODE OF CONDUCT

These standards are embodied within a set of core values that include integrity, fairness, respect, community, and responsibility. When students fail to adhere to this Code or community standards, appropriate proceedings may be initiated under this Code to address the failure and its consequences. ### II. Authority

The Board of Trustees at Bergen Community College has adopted by appropriate resolution the terms and provisions of this Code of Student Conduct and, by the adoption of this Code of Student Conduct, has empowered the employees and Boards referenced herein to enforce the terms and provisions set forth.

The College maintains the right to take all necessary and appropriate action to protect the health, safety and welfare of the employees, students and visitors to the College campus community. This Code may be applied to conduct that takes place during the time a person is enrolled as a student, including during intra-semester breaks and between semesters. Further, this Code applies to members of the College community as defined, whose host may be held accountable for the misconduct of their guests. Sanctions for
violations by visitors and guests may include but not be limited to a warning, Campus-Wide No Trespass and referral to the Department of Public Safety and Bergen County Police. Visitors to and guests of the College are also protected by this Code, and may initiate grievances for violations of this Code committed by members of the College community against them. The College may address misconduct that occurs prior to, but is not reported until after, the graduation of the offending student, as long as the misconduct is reported within six months of its occurrence. Otherwise, there is no time limit on reporting of violations of this Code, as long as the offending student is still enrolled at the College. Those who are aware of misconduct are encouraged to report it as quickly as possible to the Office of Student Life and Judicial Affairs. The Dean of the Office and/or his/her designee is responsible for overseeing processes related to the implementation of this Code.

Students at the College are provided annual notification that explains how they may access this Code on the College Web site. The printed document is also available in the Office of Judicial Affairs, (1st Floor of the Pitkin Education Building). Incident reports can be filed with the Office of Public Safety (L-154) and the Office of Judicial Affairs. Students are charged with the responsibility to read and to abide by the provisions of this Code and the authority of the student conduct process. This Code and the student conduct process apply to the conduct of individual students and College recognized student organizations. Because this Code is based on shared values, it sets a range of expectations for the student no matter where or when their conduct may take place. Therefore, this Code applies to conduct that takes place on the campus, at College-sponsored events, and off campus, when the administration determines that the off campus conduct affects a substantial College interest. A substantial College interest is defined to include:

Violations of local ordinance, state or federal law. Included are repeat violations of any local ordinance, state or federal law committed in the municipality where the College is located.

Actions which may present a danger or threat to the health or safety of him/herself or others.

Actions which significantly impinge upon the rights, property or achievements of self or others or significantly breach the peace and/or cause social disorder.

Actions which are detrimental to the educational interests of the College.

III. Violations Of The Law And This Code

Violations of local ordinances, state and federal laws are offenses under this Code even where those violations are not explicitly prohibited by this Code. Where such offenses occur off campus, the College may institute conduct proceedings that affect a substantial College interest, at the discretion of the Dean of Student Life & Judicial Affairs. The College may institute conduct proceedings against a student charged with violation of federal, state, or local laws without regard to the existence or possibility of civil or
criminal legal proceedings. It is the policy of the College typically to pursue the conduct process in a timely manner through its conduct proceedings, rather than to delay campus proceedings for external criminal and/or civil proceedings arising from the same misconduct.

This Code also applies to acts which constitutes violations of the law and this Code. Any action at the College during the pendency of an administrative, civil or criminal proceedings arising out of the same or other events shall not be the subject to challenge on the ground that criminal charges are pending, dismissed or reduced. The filing of a complaint with the College does not preclude any member of the College community from seeking civil or criminal redress.

IV. Special Provisions

a. Attempted violations
   In most circumstances, the College will treat attempts to commit any of the violations listed in this Code as if those attempts had been completed.

b. College as Complainant
   As necessary, the College reserves the right to initiate a complaint, to serve as complainant, and to initiate conduct proceedings without a formal complaint by the victim of misconduct.

c. False Reports
   The College will not tolerate intentional false reporting of incidents. It is a violation of this Code to make an intentionally false report of any policy violation, and it may also violate state criminal statutes and civil defamation laws.

d. Group Violations
   When members of groups, individuals acting collusively, or members of an organization act in concert in violation of any policy, they may be held accountable as a group, and a hearing may proceed against the group as joint accused students. In any such action, however, determinations will be made with respect to the involvement of each accused individual.

e. Amnesty for Victims
   The College encourages the reporting of crimes and violations of this Code by victims. Sometimes, victims are hesitant to report to college officials because they fear that they may be accused of policy violations, such as underage drinking at the time of the incident. It is in the best interests of this community that as many victims as possible choose to report to College officials. To encourage reporting, the College pursues a policy of offering victims of severe conduct offenses amnesty from policy violations related to the incident.

f. Good Samaritan
   In a community, students are encouraged to help other members of the community who are in need; to be Good Samaritans. When a student has assisted
an intoxicated student in procuring campus safety and/or professional medical assistance at Health Services, or any other healthcare facility, neither the intoxicated student nor the individual(s) who assist them will be subject to formal action through the College conduct process for (a) being intoxicated, or (b) having provided that person alcohol. This applies only to first-time, isolated incidents, and does not excuse or protect those who flagrantly or repeatedly violate college alcohol policies.

g. **Parental Notification**
The College reserves the right to notify parents/guardians of any student whose conduct is deemed to be in violation of this Code. The College reserves the right to notify all law enforcement agencies of any breach the provisions of this Code involving alcohol, drugs or any other act that is a danger to the health, safety and well-being of any member of the College community. Bergen Community College also reserves the right to designate which college officials have a need to know about individual conduct complaints pursuant to the Family Educational Rights and Privacy Act (FERPA).

h. **Notification of Outcomes**
The outcome of a hearing is part of the educational record of the accused student, and is protected from release under a federal law, FERPA. However, the College observes the legal exceptions as follows:

1. Complainants in sexual misconduct and sexual harassment incidents have an absolute right to be informed of the outcome and sanctions of the hearing, in writing, without condition or limitation.

2. The College may release publicly the name, nature of the violation and the sanction for any student who is found in violation of a College policy that is a “crime of violence,” including: arson, burglary, robbery, criminal homicide, sex offenses, assault, destruction/damage/vandalism of property and kidnapping/abduction. The College will also release this information to the complainant in any of these offenses regardless of the outcome.

3. The College may also release notification of outcomes to any employment agency/entity requesting disciplinary records of the student as long as permission has been granted, in writing, by the student who breached the Code.

i. **Defenses**
It has become common for students accused of policy violations to try to defend their actions with excuses, such as prescription drug interactions, self-defense, disabilities, etc. The College’s policy on defenses is clear. Defending your actions could be admission of a violation of policy. “Yes, we fought, but he started it”, still means you had a fight, and that violates this Code. Taking someone’s
property under the influence of an anti-depressant, is still taking someone else’s property. While your defense will not excuse your actions, the College will take the legitimacy of your defense into consideration in addressing the proper sanction. If you were not the aggressor in a fight, you may still be sanctioned, but your sanction may be lesser than the sanction of the person who started the fight.

j. Misconduct Online

Students are advised that behavior online can be the subject to disciplinary action as if such conduct took place face-to-face. Online harassment, bullying, threats or similar conduct, will not be tolerated and any student that violates this policy will be subject to disciplinary action. Students must be aware that social media postings are in the public sphere, and are not private. These postings can subject a student to allegations of conduct violations, if evidence of policy violations is posted online. The College will take action if and when such information is brought to the attention of the College.

V. Offenses Under This Code

A. Conduct Demonstrating a Lack of Integrity, Generally

The College students are required to exemplify honesty, integrity and a respect for truth in all of their dealings. Behavior that demonstrates a lapse of integrity includes, but is not limited to:

1. Acts of dishonesty
   - Furnishing false written or oral information to any College official, faculty member or office.
   - Forging, alteration, destruction or misuse of any College document, record, timesheets or instrument of identification including but not limited to College and College related material such as academic forms, files, transferring, course registration document, records, identification cards or other documents. Students may also be subject to criminal charges in the event a violation of the policy is found.
   - Tampering with the election of any College registered student organization
   - Causing, condoning, or encouraging the completion of any College record, document or form dishonestly

VII. Statement of the Rights of the Victim of Sexual Assault (in accordance with the Campus SaVE Act of 2014)
NEW JERSEY CAMPUS
SEXUAL ASSAULT VICTIM'S
BILL OF RIGHTS
(PURSUANT TO P.L. 1994 CHAPTER 160)

A College or University in a free society must be devoted to the pursuit of truth and knowledge through reason and open communication among its members. Academic communities acknowledge the necessity of being intellectually stimulating where the diversity of ideas is valued. Its rules must be conceived for the purpose of furthering and protecting the rights of all members of the College community in achieving these ends.

The boundaries of personal freedom are limited by applicable state and federal laws and institutional rules and regulations governing interpersonal behavior. In creating a community free from violence, sexual assault and non-consensual sexual contact, respect for the individual and human dignity are of paramount importance.

The State of New Jersey recognizes that the impact of violence on its victims and the surrounding community can be severe and long lasting. Thus, it has established this Bill of Rights to articulate requirements for policies, procedures and services designed to ensure that the needs of victims are met and that the Colleges in New Jersey create and maintain communities that support human dignity.

Bill of Rights
The following Rights shall be afforded to victims of sexual assault that occur:
- On campus of any public or independent institution of higher education in the state of New Jersey, and
- Where the victim or alleged perpetrator is a student at that institution, and/or
- When the victim is a student involved in an off-campus sexual assault

Victims Rights
- To be free from any suggestion that victims must report the crimes to be assured of any other right guaranteed under this policy
- To have any allegations of sexual assault treated seriously; the right to be treated with dignity
- To be free from any suggestions that victims are responsible for the commission of crimes against them
- To be free from any pressure from campus personnel to:
  - Report crimes if the victim does not wish to do so
  - Report crimes as lesser offenses than the victim perceives the crime to be
  - Refrain from reporting crimes
  - Refrain from reporting crimes to avoid unwanted personal publicity

Rights to Resources On and Off Campus
- To be notified of existing campus and community based medical, counseling, mental health and student services for victims of sexual assault whether or not the crime is formally reporting to campus or civil authorities
• To have access to campus counseling under the same terms and conditions as apply to other students in their institution seeking such counseling
• To be informed of and assisted in exercising:
  o Any rights to confidential or anonymous testing for sexually transmitted diseases, human immunodeficiency virus, and/or pregnancy
  o Any rights that may be provided by law to compel and disclose the results of testing of sexual assault suspects for communicable diseases

Office of Judicial Affairs
• To be afforded the same access to judicial affairs procedures as the accused.
• To be afforded the same opportunity to have others present during any campus disciplinary proceeding that is allowed the accused
• To be notified of the outcome of the sexual assault disciplinary proceeding against the accused

Legal Rights
• To have any allegation of sexual assault investigated and adjudicated by the appropriate criminal and civil authorities of the jurisdiction in which the sexual assault is reported
• To receive full and prompt cooperation and assistance of campus personnel in notifying the proper authorities
• To receive full, prompt, and victim-sensitive cooperation of campus personnel with regard to obtaining, securing, and maintaining evidence, including a medical examination when it is necessary to preserve evidence of the assault

College Intervention Rights
• To require campus personnel to take reasonable and necessary actions to prevent further unwanted contact of victims by their alleged assailant(s)
• To be notified of the options for and provided assistance in changing academic situations if such changes are reasonably available

What actions can be taken following sexual assault?

Medical
If a sexual assault occurs, it is advisable not to bathe, shower, douche, change clothing, eat, drink, smoke, or urinate. It is advisable to seek medical examination quickly to collect evidence, should the victim wish to take legal action presently or in the future. Immediate medical attention is also important for physical injuries, sexually transmitted diseases and pregnancy. It is also advisable to have an HIV test done separately from the medical exam, at an HIV Testing site, where HIV tests are done confidentially, anonymously, and free of charge.

Emotional
Counseling can be obtained to help the victim to deal with the emotions and to regain a feeling of control over one’s life.

Legal/Disciplinary
Criminal charges can be filed through the municipality where the assault occurred. A college complaint invoking the Bergen Community College Code of Student Conduct can be filled with the Office of Judicial Affairs. Both criminal and college processes may be used simultaneously.
In order for the victim to regain a feeling of control over her/his life, it is very important that the victim make the decisions about reporting, medical attention, and counseling. Bergen Community College is committed to making information available so that students can make informed decisions. Talking with someone about the assault does not commit the student to further actions.

VIII. Statement Of The Rights Of The Charged Student

- The right to be present at the hearing.
- The right to be informed of the supporting documents against him or her.
- The right to have adequate opportunity to rebut the documentation.

The advisor’s role is to assist the student in understanding and clearly responding to the committee’s questions and in making the points related to his or her case. The advisor also may assist the student in preparing his or her opening statement for the hearing. The advisor’s intended role should not be solely moral support.

IX. Student Code Of Conduct Process And Procedures

Filing A Complaint
A complaint against a student for violations of this Code may be made in writing by anyone who feels this Code has been violated. A complaint should be made as soon as possible following the incident. A Complaint Form is available in the Public Safety Office. The complainant should include as much detail of the alleged violation as possible and to the degree possible include specific references to that part of this Code that pertains to the complaint.

The Student Code of Conduct process is different from criminal and civil court proceedings. Procedures and rights in Student Code of Conduct proceedings are
conducted with fairness to all, but do not include the same process afforded by the Courts.

The complaint should include:

1. Complainant’s name, address and telephone number.
2. The name of the person who is being accused of a violation of this Code.
3. The date(s) on which the alleged incident occurred.
4. The place(s) where the alleged incident occurred.
5. A statement describing, in detail, the alleged incident.
6. The name, address and telephone number of any witnesses.

In exceptional circumstances, provisions may be made to protect the identity of reporters and witnesses upon request.

**Initial Investigation**

Upon receipt of a complaint or College police report, the Assistant Dean of Student Life & Judicial Affairs will inquire as to the circumstances surrounding the event in question to determine whether there are sufficient grounds to believe that a violation of this Code occurred. The Assistant Dean of Student Life & Judicial Affairs or designee will schedule conferences and obtain a written statement from the complainant, accused student, witnesses and/or other persons directly involved in the incident.

1. Based upon the sufficiency of the complaint or report filed, the Dean of Student Life & Judicial Affairs or designee may investigate the circumstances surrounding the incident in question and determine whether it warrants an administrative hearing with the Dean of Student Life & Judicial Affairs and/or his designee, a hearing before the judicial board or referral to the appropriate student conduct process within the College. If the Dean of Student Life & Judicial Affairs determines the complaint does not warrant further action, the matter will be closed. Such determinations are appropriate where the complained conduct does not violate this Code, and/or when there is insufficient evidence to support a reasonable belief that this Code has been violated.

2. **Interim Suspension**

Pending the completion of the Dean’s investigation and subsequent hearing process, the Dean of Student Life & Judicial Affairs is authorized to place an accused student on interim suspension for reasons related to his or her physical or emotional safety and well-being, to protect the integrity of the investigation, pending the outcome of a psychological or medical assessment and/or for reasons relating to the safety and well-being of students, faculty, staff, or College property. In some cases, the accused student may be permitted to attend classes but be suspended from all other campus activities. This determination will be made by the Dean of Student Life & Judicial Affairs and/or his designee based upon his/her knowledge of the potential threat
posed by the accused student’s presence on campus. Whenever such action is taken, a hearing before the judicial board will be convened within ten (10) business days, unless an extension is agreed upon. The hearing process is outlined below. At the time of an interim suspension, a Temporary Campus-Wide Notice of No Trespass may be issued. These documents identify campus locations and events as off limits to the accused student until further notice.

Subject to the availability of the respondent, the Dean of Student Life & Judicial Affairs or designee will conduct a pre judicial hearing conference prior to imposing an interim suspension. If the student is not available, an interim suspension may be imposed for the safety and security of the student or others until such time the accused student becomes available. At the pre judicial hearing conference, the accused student will be given the opportunity to demonstrate to the Dean of Student Life & Judicial Affairs or designee a compelling reason (e.g. mistaken identity) why he/she should not be interim suspended pending a hearing before the judicial board.

3. **No-Contact Order**

The Dean of Student Life & Judicial Affairs may impose a limited or campus-wide No-Contact Order between parties to a complaint when the fear of retaliation and/or harassment may be present. Specific instructions will accompany the No-Contact Order outlining to all parties the expected behavior including face-to-face contact, correspondence, e-mail, instant message or telephone. Friends and relatives are also prohibited from contact on behalf of either party.

**Notification**

1. If the Dean of Student Life & Judicial Affairs or designee determines there is reasonable cause to believe that a violation of this Code has occurred, the accused student will be notified in writing upon receipt of the complaint. The notification time may be longer if necessary to complete the investigation.

2. This written notice will include:
   a. The complaint identifying sections of this Code at issue and sanctions that may result;
   b. A copy of this Code and procedures applicable to the complaint;

   c. Refer the complaint to the appropriate administrative process within the College;
   d. Resolve the complaint informally or impose a remedy and/or sanction that does not warrant suspension or expulsion;
   e. If the accused student does not agree with the decision made at the Student Conduct Conference, the student has the right to appeal the decision to the next level administrator within three (3) business days of receipt of the decision letter. The appeal process will be given in writing at the time of the decision letter.
   f. Determine that a hearing before the judicial board is appropriate. The Dean of Student Life & Judicial Affairs may then refer the matter for a Hearing within ten (10) business days.

An appointment is required to review the Document File. Copies may be made available upon specific request.

Students should note that disciplinary action may be taken, and sanctions may be imposed, if they fail to attend the initial conduct conference or any subsequent hearing. Students who fail to appear after being provided with notice will be deemed to have pled not responsible to the pending charges.

A student may submit a written request setting forth good cause to delay the hearing. Except in emergency situations, no written request for a postponement will be considered unless received at least three (3) business days before the hearing.

**Members Of The Judicial Board**
Hearings before the judicial board for violations of this Code will be conducted by a trained member(s) of the College faculty, staff, or consultant designated by the Office of Judicial Affairs.

**Conduct Of The Hearing**
The hearing panel shall consist of not less than three nor more than five members of the Judicial Board, which panel shall listen to the proofs presented by the Chief Judicial Officer, any documentation submitted by the Chief Judicial Officer, and shall hear the testimony of witnesses, including, but not limited to, the accused. After hearing all of the necessary testimony and reviewing all of the necessary documents, the hearing panel shall determine whether the member of the College community is responsible for the charges alleged against him or her or not responsible. If the determination by the hearing
panel is that the person is responsible for the charges against him or her, then the Chief Judicial Officer shall advise the hearing panel of the appropriate sanctions that should be imposed upon the person. The hearing panel shall then determine what sanctions should be imposed after hearing presentation from the Chief Judicial Officer. If the hearing panel finds the person is not responsible, then the matter shall be closed, but the Chief Judicial Officer shall meet with the person to explain the effect of further violations of the Code of Student Conduct.

The hearing will be closed to all members of the campus and outside community except for those directly involved with the complaint. The complainant and the accused student each have the right to be assisted by an advisor of their choice who is not a witness in the complaint. If the victim of the alleged act of misconduct is not the complainant, the Hearing Officer may also allow the victim to attend. An advisor may be present to advise only and may not participate. Advisors who interfere with the proceedings can be excused by the hearing officer. Only persons involved in the hearing process will be permitted in the vicinity of the hearing.

An audio recording of the hearing, but not the closed deliberations of the judicial board, will ordinarily be made and kept by the Office of Judicial Affairs. If the recording is not made for any reason, the decision of the Hearing Board will include a summary of the testimony and shall be sufficiently detailed to permit review by the Dean of Student Life & Judicial Affairs.

It is expected that participants and advisors will respect the dignity and privacy of Bergen Community members and keep private that which transpires during the hearing, in accordance with federal law.

Student witnesses, when called by the College on behalf of the complainant, the accused student, or the College, are required to participate in the hearing process.

The hearing process will be conducted in the following manner:

a. All participants and advisors will be introduced to the Board Chair.

b. The Chair will recite the complaint against the student and all code sections alleged to have been violated.

c. The accused student will state whether he/she is responsible, not responsible, or responsible with an explanation for the alleged misconduct. Responsible with an explanation means the student admits to the actions, but believes there were circumstances that should be taken into consideration by the Chair in the determination of this complaint.

d. Statements regarding their respective positions may be given by the complainant and the accused student. The Chair may place reasonable time limitations on the statements.

e. The College reserves the right to assign a representative of the Office of Judicial Affairs to present the complaint against the respondent.
f. Relevant records, documents, and written statements may be accepted and considered by the Chair.

g. The complainant and the accused student may be present throughout the entirety of the proceeding, except for the deliberation phase. The complainant, the accused student and the Office of Judicial Affairs representative will be able to present witnesses, who will be subject to cross examination. Witnesses will be asked to affirm that their testimony is truthful and may be subject to charges of intentionally providing false information to the College. Witnesses will be asked to remain until the end of the hearing in the event they must be called back for clarification of their testimony. In the event that a witness is unavailable, a signed statement from the witness may be admitted. Any such statements will be shared with the parties prior to the hearing, and the accused student will be given full opportunity to respond to the written statement at the hearing.

h. Witnesses will appear separately and will leave the hearing room after their testimony is completed. Witnesses are not permitted to leave the vicinity of the hearing room until permission has been granted by the hearing officer, and are instructed not to communicate with other witnesses outside the hearing during the proceedings.

i. All parties may question each other and the witnesses, and the Chair may direct questions as appropriate to any participant. The complainant and the accused student may present concluding remarks. The Chair may place reasonable time limitations on the statements.

j. At the conclusion of the hearing the Chair will advise the complainant and the accused student that his/her determination will be given, in writing, to the appropriate parties within ten (10) business days.

k. The accused student’s prior student conduct record will be a factor in determining the appropriate sanction(s).

l. At the conclusion of the presentation of all of the facts on the charges(s), the Hearing Board will retire for closed deliberations. The Board deliberations will not be recorded or transcribed. The determination of the Board concerning each charge will be supported by a brief written summary of the findings relied upon by the Board. The written summary will be placed in the case file and made available to the respondent.

m. The complainant will not be notified of the outcome of the hearing EXCEPT in cases of violence or sexual misconduct, once the decision of the hearing officer has been issued.
n. For each separate offense, the Hearing Officer will determine whether the accused student is responsible or not responsible. The decision will be based upon an evaluation of the information presented and a determination as to whether this Code was more likely than not to have been violated. For each violation, the hearing officer will impose an appropriate remedy and/or sanction.

o. The rules of evidence applicable to the courts do not apply to Code proceedings of this College community. Fair process applicable to this process is as defined in these procedures.

p. The Dean or designee may implement changes to these proceedings as needed that do not jeopardize the material fairness owed to the parties to any complaint.

**Judicial Board Hearing Appeal Procedures**

A. Where an individual is found responsible for a violation of this Code that may lead to a sanction less serious than suspension or expulsion, the individual can appeal in writing to the Vice President of Student Affairs and/or his designee within three (3) business days of receipt of the Judicial Board’s determination. A person will have the right to request a final review based on any of the following grounds:

1. A sanction that is substantially disproportionate to the severity of the violation.
2. A material deviation from written procedures that jeopardized the fairness of the process.
3. A demonstrable bias by a member(s) of the Hearing Board.
4. New information, unavailable at the time of the hearing, that could be outcome determinative.

B. In the case of suspension or expulsion, the student can appeal in writing to the Vice President of Student Affairs and/or his designee within three (3) business days of the receipt of the judicial board’s determination.

C. In the case of suspension or expulsion, the student will not be permitted to be on campus or attend classes pending the outcome of the appeal unless implementation of the sanction is delayed by the Vice President of Student Affairs and/or his designee due to extraordinary circumstances.
Appeal Of Suspension/Expulsion To The Vice President of Student Affairs

The request for review of an appeal will be considered by the Vice President of Student Affairs and/or his designee to determine whether grounds for an appeal exist. A person will have the right to request an appeal based on any of the following grounds:

1. A sanction that is (substantially) disproportionate to the severity of the violation.
2. A material deviation from written procedures that jeopardized the fairness of the process.
3. A demonstrable bias by a member(s) of the board.
4. New information, unavailable at the time of the hearing, that could be outcome determinative.

Request for Appeal to the Vice President of Student Affairs

1. The Vice President of Student Affairs and/or designee will review the written request for an appeal within five (5) business days of receipt to determine whether there is sufficient basis to grant an appeal. If so, he/she will proceed to hear the appeal, or return the complaint to the original hearing body for reconsideration or rehearing in light of the basis for the appeal.

2. If the Vice President of Student Affairs and/or his designee determines that there is not a sufficient basis to change the decision of the hearing officer, the student will be notified in writing within five (5) business days.

3. Appeals are deferential to the original hearing decision, and are not intended as a rehearing. If the Vice President of Student Affairs and/or his designee hears the appeal, he/she may determine that there is a sufficient basis to change the decision of the hearing officer if there is clear error or compelling justification, only. If so, he/she may reverse, sustain or modify the decision, or change the sanction. Normally, appeals involve a review of the hearing record and appeal request. At the discretion of the Vice President of Student Affairs and/or his designee, the parties, witnesses or written documentation may be interviewed/reviewed as necessary to assure fairness.

4. The decision of the Vice President of Student Affairs and/or his/her designee will be final.
