

AS Non-Profit Management

Curriculum Map

Outcome s:	PLG1 Our graduates will be able to create a well-written “Case for Support” that attracts volunteers, increase stakeholder commitment, builds community awareness and draws in support for their initiative.	PLG2 Our graduates will be able to resolve a “controversial” problem within the nonprofit sector and compare three different techniques for handling the situation.	PLG3 Our graduates will be able to develop a “SWOT” analysis, presenting strengths, weaknesses, opportunities, and threats of a nonprofit organization.	PLG4 Our graduates will be able to communicate orally in proper nonprofit terminology and potential funding sources and contacts to donors.	PLG 5 Our graduates will be able to identify and explain the types of managerial accounting techniques necessary to operate a nonprofit organization.	PLG 6 Our graduates will be able to identify and explain the various financial statements and guidelines for nonprofit organizations. 	PLG 7 Our graduates will be able to identify and explain basic economic principles that may affect non profit businesses.
