

Bergen Community College is the largest of New Jersey's 19 community colleges, serving over 25,000 students at all levels of learning.

Mission

Bergen Community College educates a diverse student population in a supportive and challenging academic environment that fosters civility and respect. The College offers a comprehensive set of accessible, affordable, and high-quality credit and non-credit courses as well as degree and non-degree programs. Bergen provides life-long learning opportunities for all members of the community. The College responds to community needs through work force training and continuing education, and by developing programs for employers.

Vision

As a college of choice, Bergen Community College provides a comfort level that enables students of all abilities to mature as learners and engaged citizens. A leading community college in the nation, the college creates a stimulating, rigorous, and inclusive learning environment. Use of innovative technology enhances learning experiences and widens access to learning media. Community and business leaders value the college as a reliable partner and principal provider of work force development. Bergen county residents of all ages and cultural backgrounds appreciate the college as a hub of their educational and cultural activities.

Accreditation and Degrees

Bergen maintains accreditation by the Middle States Commission on Higher Education. Nine individual programs are accredited by specific associations and commissions.

Bergen Community College offers programs in Associate in Arts (A.A), Associate in Science (A.S), Associate in Applied Science (A.A.S), and certificate programs.
