

# STEM C<sup>2</sup> Research Summit

## Donor Form

### Why Sponsor?

**STEM C<sup>2</sup> Research Summit** is seeking sponsorship for its 5<sup>th</sup> annual conference scheduled for April 13, 2018. Last year's fourth annual event was a huge success with over 375 participants from many institutions across the Tri-State area. 16 workshops were conducted as well as over 75 posters and research displays spanning the topics of STEM (science, technology, engineering, and mathematics) pedagogy and research. Sponsorship opportunities are limited and are available on a first-come, first-served basis. Interested sponsors must act quickly to ensure participation in our rapidly expanding 2018 event.

### Primary Sponsorships

Platinum, Gold, Silver and Bronze Sponsors will receive varying levels of high visibility and recognition at the event, and the added opportunity to gain significant exposure within the STEM academic community.

#### I would like to support the 2016 STEM C<sup>2</sup> Research Summit as a sponsor:
