EMERGENCY INFORMATION

CLASSROOM EMERGENCY PROCEDURE
If a student appears extremely ill, (i.e. life-threatening condition), go to the nearest classroom phone and dial “6”; if no College phone is available, call 911. However, if the individual does not appear to be in a life threatening situation, we ask that you dial the number “6,” and alert our Public Safety Office to the issue and your room number. Upon their arrival, Public Safety Officers will assess the situation and decide if outside intervention is necessary.

Two other situations where you should dial “6” or call 911 immediately: if there is a fire, or if there is a crime, especially if it’s in progress.

GUIDELINES FOR DEALING WITH DISRUPTIVE STUDENTS
It is important to provide clear guidelines for acceptable behavior in your syllabus in order to ensure a classroom environment fully conducive to teaching and learning. Problematic behaviors should not be tolerated. Unacceptable behavior should be brought to the attention of the student by the faculty member as soon as possible after it occurs, preferably in a private moment just after the class. Instructors should document and date specific disruptive behaviors. Instructors should not hesitate to send written messages to students about their inappropriate behaviors, keeping a copy for themselves and giving one to their department chair at the time it is sent. Students who cannot comply with reasonable standards of conduct can be removed from the classroom by contacting Public Safety by dialing “6”.

6
Whenever possible, faculty members should practice progressive discipline with disruptive students, beginning with verbal notification that the behaviors are unacceptable, adding written notification if the behaviors are not change, and moving to the College’s formal disciplinary procedures if necessary. If a student’s behavior is dangerous, contact Public Safety immediately by dialing “6”.

The Office of Student Conduct is the source of policies and processes pertaining to disciplinary matters. For detailed information consult [www.bergen.edu/studentconduct](http://www.bergen.edu/studentconduct).

The Behavioral Intervention Team (BIT) serves as a central network focused on the prevention of disruptive behavior and providing early intervention. The Behavioral Intervention Team is not a crisis emergency response team, rather seeks to implement proactive strategies before an event becomes a crisis. The team will initiate responses and actions for those within the college community who show signs of serious emotional distress, or behaviors that are disruptive/ or harmful to themselves or others. For detailed information and to access the referral form, visit [http://www.bergen.edu/bit](http://www.bergen.edu/bit).

**EMERGENCY EVACUATION RESPONSE**
If the building is to be evacuated, an alarm will sound. You are to lead your class out through the nearest exit (make yourself familiar with the nearest exit and inform your students where it is located). You will lead your class 50 yards away from the building. A representative of the College will inform you when you may reenter. Under no circumstances should you use the elevators.

If you have any students who are non-ambulatory, there are areas of safe refuge next to each elevator on the second and third floor at each campus location. Make yourself and your students familiar with them. These areas are posted. A representative of the College will check these areas when the building is evacuated. If your classroom is on the main floor, non-ambulatory students should exit the building with you and your class. If your classroom is on the second floor, non-ambulatory students may exit through the cafeteria or go to a place of safe refuge. On the third floor, they will need to go to an area of safe refuge.
**FIRST AID**
In Paramus, the RN staff of the Center for Health Wellness and Personal Counseling provides first-aid, emergency medical response, and healthcare maintenance to all members of the campus community. All personalized medical services are offered free-of-charge in a fully accessible setting. For more information contact the Office of Health Services, HS-100, Pitkin Education Center; (201) 447-9257; healthservices@bergen.edu http://www.bergen.edu/hwpc.

At the Hackensack and Meadowlands Room 101 locations, please see Public Safety immediately.

**INCLEMENT WEATHER/SCHOOL CLOSINGS**
During the winter season, the College monitors potential storms, and prepares communication plans. When winter storms require closings, delays or other notifications, the College will utilize its emergency notification system; social media (Facebook and Twitter); www.bergen.edu; and faculty, staff and student email to advise the College community. Updates are posted to these media immediately after decisions are made; if nothing is posted, the College is operating normally at that time. The College also has an emergency notification system, which can be accessed via https://bergen.sendwordnow.com/HomePage.aspx.

**LOST AND FOUND**
Lost and Found is handled by the Public Safety office at all locations. Many items are turned into Public Safety and never claimed. Check with Public Safety at the location where you teach if you lose anything.

**TESTING SERVICES**

The Office of Testing Services (OTS) in Room S-127 provides faculty with the service of proctoring make-up tests for students who for compelling reasons such as ill-health, accident, or other extraordinary circumstances, are unable to take scheduled in-class major examinations proctored by the instructor.
When employing the Office of Testing Services (OTS), you are asked to follow these guidelines:

- Faculty should present to students a clear and consistent make-up testing policy for each class.
- Require that the student initiate the request for a make-up examination. Please remember that OTS provides make-up testing as a last alternative to students who are unable to take in-class examinations.
- For reasons of security, develop different versions of tests and always note your full name and course name on each page of your tests.
- When depositing make-up tests in OTS for administration, please be sure to complete the Examination Administration Request form available in OTS and submit the form and the exams directly to the OTS staff for prior review to ensure that the request is consistent with these guidelines. OTS does not accept submissions via interoffice mail, email, slipped under our office door during off hours, or via fax for reasons of security. All submissions must be made in person at the reception area in S-127.
- Please do not submit make-up tests for testing an entire class.
- Please be aware that make-up exams are not open-ended. When depositing make-up exams in OTS, explicitly indicate on the request form the last date by which the student must complete the examination. OTS will not accept undated or open-ended make-up tests. The day after the make-up test's deadline, faculty is responsible for picking up their completed examinations at the reception area in S-127.
- When directing students to OTS for their make-up tests, instruct your students to arrive at OTS with valid photo identification, to know their instructor's full name and to allow sufficient time to take and complete their test before the official closing time. OTS will not administer tests to students who do not have proper identification or who do not arrive to allow sufficient time to take their tests; OTS will direct these students back to the instructor. While classes are in session, OTS's regular hours are distributed via email and posted at the S-127 entrance.

For additional information, contact The Office of Testing Services, at (201) 447-7203 or visit the Pitkin Building, Paramus, Room S-127 or visit the website www.bergen.edu/testing

ACADEMIC POLICIES AND PROCEDURES

ATTENDANCE AND ABSENCE POLICY

Students are expected to attend all class meetings punctually. However, no uniform collegewide policy on student attendance exists. All instructors must have a clearly stated absence and lateness policy (whether departmental or individual) in their course guides (syllabi), including how attendance will affect final grades. In several cases (e.g., math) a department policy is in place, which instructors in these areas should follow. It is important to have accurate attendance records since assigning an “E” grade requires a notation of “Last Date of Attendance.”
CLASS CANCELLATIONS
If you are unable to meet for a class session, please notify your department AND the Adjunct Administration Office. During your call you must provide your full name, course id and section, course name, scheduled start time, and class location. Cancellation information will be posted in the main lobby of Pitkin Education Center, in the lobby in Ender Hall and across from the elevators in the Meadowlands building. Class cancellations notices can also be accessed online by using http://ww3.bergen.edu/pages1/pages/cc.aspx or through the Bergen home page http://www.bergen.edu/ under Current Student / Student Support Services.

Please note that class cancellations and their subsequent postings can be made by calling the Adjunct Administration Office at (201) 447-7172 from 7:45 - 9:00 a.m. and 4:00 - 7:00 p.m. daily and on Saturdays from 8:00 a.m. - 4:00 p.m. At other times, please call your department secretary. In addition, if you teach in the Meadowlands, please call the Welcome Desk 201447-7920 to let the staff know you are cancelling class.

CLASSROOM POLICIES
Any person attending a class, lab, or workshop must be registered as a student, except for (i) those special guests, speakers, or others granted temporary access to the classroom by the instructor, and (ii) College officials while conducting their official duties.

In addition, children are not allowed in the classroom, as stated in the Bergen Community Policy Manual: “Because of disruption of the teaching and learning process, the College discourages students from bringing children to classes.” Furthermore, Bergen Community College policy discourages students from bringing their children on campus and leaving them without supervision by a responsible adult while they attend classes. Supervision cannot and will not be provided by staff in the library, student center, gymnasium, cafeteria, office, or any other facility. The administration, faculty, and staff of the College are concerned about the safety and well-being of unsupervised children.

CLASS LISTS/ROSTERS
Rosters are available online as you login into your my.bergen.edu account.
The attendance roster and the semester grade roster must be given to your department at the end of the semester. You are strongly encouraged to photocopy these rosters for your personal records before you hand them in to your department at the end of the semester. Please regularly check the listing against the names of the students actually attending your section(s). Students who do not appear on your roster that you have a final grade for should be treated as a student not officially registered or paid. If you have a student attending whose name does not appear on the listing for that section, please ask that student to report to the Registration Office Service Window to resolve the problem.

END OF SEMESTER PROCEDURES
No later than 48 hours after the final class session, you need to submit the following clearances:

a. Faculty End of Semester Responsibilities Guide & Cover Sheet (signed/dated, make a copy)
b. Original Attendance Roster (signed/dated, make a copy)
c. Original Grading Roster (signed/dated, make a copy)
d. Final Grade Roster printed from WebAdvisor (signed/dated, make a copy)
e. “N” grade contract for each affected student must accompany each Final Grade Roster on which you have recorded an “N” grade. (signed, dated, make a copy)

The End of Semester Responsibilities Form may be obtained from our web page and in the Adjunct Administration Office (Room C-107) or from your academic department secretary at the end of the semester. This form must be submitted to your Department office when grades are turned in. If you teach in the Meadowlands, you may hand in your End of Semester paperwork to the Meadowlands Administration offices – either Room 430 or Room 319.

FINAL GRADES
Final grades are assigned by instructors at the end of each semester or session. Final grades may be viewed by students through Web Advisor at go.bergen.edu. Students also may request an academic report reflecting their final grades from the Office of Admissions and Registration.

The following are grades that may be assigned by the instructor:

<table>
<thead>
<tr>
<th>Grade</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>A</td>
<td>Excellent</td>
</tr>
<tr>
<td>B+</td>
<td>Very Good</td>
</tr>
<tr>
<td>B</td>
<td>Good</td>
</tr>
</tbody>
</table>
C+ Above Average
C Average
D Below Average
E Unofficial Withdrawal
N Incomplete
F Course requirements have not been satisfactorily met; Course must be repeated to earn credit

“N” GRADE
Incomplete grades (“N”) indicate that a portion of required coursework has not been completed and evaluated by the end of the semester due to unforeseen, but fully justified reasons, and that there is still a possibility of earning credit. It is the responsibility of the student to bring pertinent information to the instructor and to reach an agreement on the means by which the remaining course requirements will be satisfied. The instructor may not issue the “N” grade unless it is requested by the student and the conditions for resolving the incomplete are agreed upon in a contract (which is available in the Registration office) with the exception of missing the final exam due to an emergency. All “N” grades that are not resolved by the deadline in the academic calendar will be converted to grades of “F” Course Failure: Course requirements have not been satisfactorily met.

“E” GRADE
E Grade (Unofficial Withdrawal) An “E” grade can only be assigned to a student who ceases to attend a course prior to sixty percent (60%) of the duration of the semester, and fails to officially withdraw from that course. Students who do not satisfy the two conditions are assigned an earned grade (e.g., A - F). When entering grades on Web Advisor, “E” grades must be accompanied by the last date of attendance, which must be prior to the established date of sixty percent (60%) of the semester.

The “Semester Academic Calendar” and the Registration Office have the “E” grade dates. Semester Academic Calendars are sent to faculty at the beginning of the term, and can also be obtained in the Office of Adjunct Administration (C-107) and your Department.

Please note that an “E” grade impacts negatively a student’s GPA, and can partially affect a student’s financial aid; therefore, instructors should always encourage the student to officially withdraw if the student indicates he or she can no longer attend class.

If the grade is an “E”, you must click on the drop down menu in the “Notes” column and choose “Last Date Attended”. You must enter the last date of attendance (00/00/00). You will receive an error message and will be unable to submit the grades until you type in the last date of attendance.

**CHANGE OF GRADE**

A change of grade can be made only when the change has resulted from a clerical or mathematical error or when a grade of “N” must be resolved. Once a grade is submitted to the Registrar, it becomes part of the student’s permanent college record.

To change a grade, go to Web Advisor for Faculty via https://my.bergen.edu. Under Faculty Information, you will find a tab for Change of Grades. You can also ask your department chair or department secretary to show you the process for online grade changes.
