# Bergen-Wifi

**To simply and easily connect please following these steps:**

1. **Open your applications home screen and choose "Settings":**

2. **Once you selected "Settings" the next page should appear. Make sure Wi-Fi is "On"**

3. Tap on the Wi-fi bar to see a list on available wifi networks. Find the network called: Bergen-Wifi. Click "connect"

4. Open Chrome and navigate to www.bergen.edu. New users will be prompted to enter their Bergen username and password.

5. **Tap Start, then enter a device description and tap Continue**

1. **You are now connected to the Bergen Wifi. Press Continue to be forwarded to www.bergen.edu. Your device will be registered on the Bergen-Wifi network until the end of the semester.**
