ARTICULATION AGREEMENT BETWEEN BERKELEY COLLEGE AND BERGEN COMMUNITY COLLEGE

AGREEMENT by and between Berkeley College ("Berkeley"), an institution of higher education with a location at 44 Rifle Camp Road, Woodland Park, NJ 07424 and Bergen Community College ("BCC"), an institution of higher education located at 400 Paramus Road, Paramus, NJ 07652 (collectively referred to as the "Parties").

WHEREAS, the Parties mutually desire to facilitate opportunities for students who wish to transfer from BCC with associate degrees to the baccalaureate degree programs at Berkeley; and

WHEREAS, the Parties mutually desire to further that goal by defining the terms and conditions under which those students will be able to transfer to Berkeley with little or no loss of academic credits previously earned;

NOW, THEREFORE, the Parties agree as follows:

I. ENROLLMENT AND TRANSFER REQUIREMENTS

All students seeking to continue their education at Berkeley must meet all of the following requirements. If, in Berkeley's sole discretion, the requirements have not been met, Berkeley reserves the right to determine the extent to which credits will be accepted for transfer. Students who meet the following requirements will be treated as having completed up to ninety (90) Berkeley credits (the equivalent of approximately sixty (60) semester credits) and may be eligible for admission to an Upper Division in accordance with Berkeley's transfer credit policy.

- A. Students must have a cumulative grade point average of at least 2.0 on a 4.0 scale, or the equivalent of that average if the scale is different.
- **B.** All courses must be completed with a grade of "C" or higher to be eligible for transfer. Berkeley will accept transfer credits only. Course grades received at BCC will not be applied toward the calculation of the student's grade point average attained at Berkeley.
 - 1. Berkeley uses the quarter-hour system. One (1) Berkeley credit hour is equivalent to approximately twelve (12) hours of scheduled class time.
- C. Appendix A, which is deemed part of and incorporated within this Agreement, lists all Berkeley courses and credits and the corresponding BCC courses and credits. In its sole discretion, Berkeley will determine whether to accept credits for transfer to its baccalaureate degree programs in accordance with its transfer credit policy.
- **D.** Berkeley will evaluate the credits of candidates for admission to other Berkeley baccalaureate programs provided that the students meet the general requirements of Sections A and B above.

- **E.** Berkeley reserves the right to add, discontinue or modify its programs and policies at any time.
- F. In the event that either institution modifies or eliminates any of the courses or credits listed in Appendix A, Berkeley, in its sole discretion, may decline to accept credits for transfer with respect to those courses unless and until the Parties have mutually agreed upon an appropriate amendment of Appendix A to this Agreement.

II. INSTITUTIONAL OBLIGATIONS

During the period of this Agreement:

- A. Students will be eligible to transfer to all Berkeley locations in New York and New Jersey, along with Berkeley College Online.
- **B.** The Parties will notify each other concerning any contemplated curricular changes that might affect the future of this Agreement.
- **C.** Students will follow and be bound by all Berkeley policies upon admission, along with all guidelines outlined in this Agreement and in the undergraduate bulletins at BCC and Berkeley.

III. INSTITUTION RELATIONS

Berkeley and BCC will use reasonable efforts to make appropriate personnel in their respective institutions aware of this Agreement and encourage them to support it. Such persons include admissions staff, counselors and appropriate faculty. Berkeley's Office of Admissions will supply BCC with promotional literature, which will be made available to students.

IV. PROPRIETARY MARKS; PUBLICITY

Each Party acknowledges that the other is the exclusive owner of certain trademarks and service marks ("Marks"). Each Party agrees not to use the Marks of the other for any purpose without prior written consent. The Parties hereby grant each other permission to refer to the names of the Parties and this Agreement in each Party's official Catalog and web site, and in other ways for the sole purpose of promoting the successful implementation of this Agreement and communicating its contents to the general public.

V. INDEPENDENT CONTRACTORS

It is expressly understood that Berkeley and BCC are independent contractors. Nothing herein shall create any joint venture, legal partnership, agency relationship or otherwise provide any authority of the one Party to bind the other to any third party. Neither Party may act in any way as the representative of the other, nor is either Party authorized to incur any liability, obligation or expense on behalf of the other Party.

VII. ASSIGNMENT

Neither Party shall assign or subcontract any portion of its rights or obligations under this Agreement to any unaffiliated person or entity without the written consent of the other Party. Any attempt to do so shall be deemed null and void as between the Parties. This Agreement shall be binding upon the Parties' successors and permissible assigns, which shall be informed of and agree to all terms set forth in this Agreement.

VIII. NOTICE

Notice shall be given to each Party at the address listed below by deposit with an overnight courier with charges prepaid, or by deposit in the United States mail, first-class postage prepaid by registered or certified mail. Any such notice shall be deemed to have been given one (1) business day after deposit with an overnight courier or three (3) business days after deposit in the United States mail.

IX. GOVERNING LAW: VENUE

This Agreement shall be governed by the laws of the State of New Jersey without giving effect to any conflict of laws provisions. Unless mutually agreed otherwise, any litigation arising out of this Agreement shall be commenced and prosecuted exclusively in a state or federal court located in the State of New Jersey and the Parties hereby consent to jurisdiction and waive any objections to venue in such courts.

X. ENTIRE AGREEMENT; AMENDMENT

This Agreement constitutes the entire agreement and understanding between the Parties relating to the subject matter it addresses and supersedes all other agreements, representations and understandings between the Parties with respect thereto, including but not limited to the March 2008 agreement. Except as otherwise noted, this Agreement, including its appendices, may not be supplemented or modified without a written and dated amendment signed by both Parties. This Agreement shall remain in effect from the date of the last signature below until it is terminated by one of the Parties. Either Party may terminate this Agreement by providing at least three (3) months written notice prior to the intended date of termination.

XI. MISCELLANEOUS

A. Survival of Terms. The provisions concerning intellectual property rights shall survive the termination of this Agreement.

- B. Headings. Headings set forth in this Agreement are intended solely for organizational purposes and shall not affect the interpretation of the underlying provisions.
- C. Counterparts. This Agreement may be executed in counterparts. Execution may be evidenced by an electronic copy (facsimile or electronic image) of the signed document.
- **D.** Severability. In the event a court of competent jurisdiction declares any provision of this Agreement to be void, the remaining provisions shall be deemed severed and shall remain enforceable to the full extent permitted by law.
- E. Force Majeure. Neither Party shall be liable for a failure to perform its obligations under this Agreement to the extent that such performance was rendered impracticable by fire, flood, police action, public safety emergency, epidemic, natural disaster or act of terrorism or war.

APPENDIX B

SCHOLARSHIP OPPORTUNITIES FOR GRADUATES OF BERGEN COMMUNITY COLLEGE

THE BERKELEY COLLEGE T.O.P. SCHOLARS PROGRAM (Transfer Opportunity Program)

The Transfer Opportunity Program (T.O.P. Scholars) from Berkeley College offers scholarships to students who have earned an Associate's degree from another college. Scholarship amounts are based on a student's grade point average (G.P.A.) and range from 25% to 50% of the tuition at Berkeley College.

Who is eligible?

To be eligible as a T.O.P. Scholar, a student must:

- Have an Associate's degree from another college
- Be enrolled as a full-time student at Berkeley College

• Remain continuously enrolled for his/her first academic year (three quarters). After that, the student may take one quarter off without losing the scholarship

Transfer Opportunity Program

- 1. A scholarship, covering 25% of the tuition remaining after all federal/state grants and other scholarships have been applied, is granted when a student with an Associate's degree from another college is accepted and enrolls as a full-time student.
- 2. A student's transfer scholarship could increase above 25% if the student's G.P.A. is 2.5 or above.

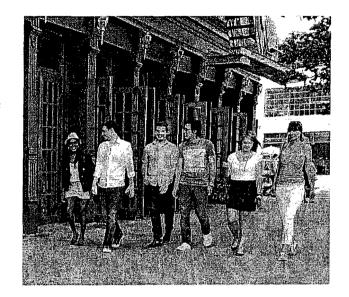

Degree Requirement	Scholarship Percentage	Total Scholarship
Must have Associate's degree	25% of tuition,	is the property of the second transfer of

2.75-2.99	Up to an additional 15%	Up to 40%
3.0-4:0	Up to an additional 25%	. Vitalian Up to 50% "

- 3. The same criteria will be used when the student is packaged for his/her second award period. The award will be determined based on the student's current G.P.A. and can increase or decrease.
- 4. The Transfer Scholarship will be reduced if the total amount of the scholarship exceeds the remaining balance of tuition and fees after all other grants/scholarships have been applied.
- 5. The scholarship will be reduced if student loan borrowing exceeds the total cost of tuition, fees, books, and Berkeley College room and board if applicable.

(See back for more information)

How does the process work?

- 1. Student applies to Berkeley College through the Admissions office.
- 2. Upon acceptance the student will need to complete the Free Application for Federal Student Aid (FAFSA) and the additional questions required to receive the NJ Tuition Assistance Grant (TAG) or NY Tuition Assistance Program (TAP).
- 3. Financial Aid will assess the student's eligibility and generate an award notification with the Transfer Scholarship.
- 4. Admissions will schedule a registration appointment with Advisement.
- 5. Advisement will evaluate the student's transcript and provide a course schedule.
