

Immunization Fact Sheet 2024

Students who are Full-time (12 or more credits per semester) and Part-time are required to submit a record of their immunizations to the Health Services Office (Room HS-100) before the Fall 2024 semester begins.

Many of these immunizations (vaccines) may have been given to you during your childhood.

Your records may be available from your parents, doctor, high school, or even on a childhood immunization record from your country.

The types of vaccines are the

- 1. Measles, Mumps and Rubella (also called MMR)**
- 2. Hepatitis B Vaccines**
- 3. Meningitis Vaccine (MenACWY or Men ABCWY)**

If you are unable to locate your records, please contact us at Health Services. Our phone is 201-447-9257. Email: healthservices@bergen.edu

The vaccines can be sent to this link: <https://lf.bergen.edu/forms/hs0002>
