I-20 Extension Request

Please note that extensions on I-20's can only be granted for one year at a time. No more than two extensions may be given to a student while attending BCC.

In order to complete an extension, you must prove your financial capability. You must prove \$22,000 if you need an extension for one full year or \$11,000 if you only need one semester to complete your degree. Your original bank statement is required to be within six months of the date you are requesting for the extension, in English and in USD. If you have a spouse, you must prove an additional \$12,000 and \$6,000 for each additional child. If you will have a sponsor, your sponsor must complete the Affidavit of Agreement. Additional information regarding extensions can be found on the ISC website.

Documents that will be needed when requesting an extension are as follows:

- I-20 Extension Request Form
- Agreement(s) with financial documentation

BCC Student ID: _____

Last Name: _____ First Name: _____

How many semesters will you need to complete your degree? _____

I understand that immigration states that I must make normal progress; therefore, I cannot have my I-20 extended at BCC more than two times, unless given permission by a BCC International Counselor. I also understand that I must provide BCC with original financial documentation, in order for BCC to complete the extension of my I-20.
