

ARTICULATION AGREEMENT
BETWEEN
WILLIAM PATERSON UNIVERSITY
COLLEGE OF EDUCATION
AND
BERGEN COMMUNITY COLLEGE

The intent of this articulation agreement is to define the procedures for a transfer articulation between **William Paterson College of Education and Bergen Community College**. Both entities agree to mutual cooperation in establishing and maintaining articulation for their respective programs for the AS associate degree program transferable to the College of Education's degree programs. The principal beneficiaries of this agreement are students seeking certification in **Early Childhood (P-3), Elementary Education (K-5), and Secondary Education (K-12)** whose progress toward their degrees is best assured when they are provided with current information about courses and programs and protected by firm arrangements between departments and institutions which provide the opportunity of planning a total baccalaureate degree through program to program agreement at the outset of their college education.

This articulation between **William Paterson University** and **Bergen Community College** will be also used to determine a Dual Enrollment Program which will automatically transfer all eligible students from Bergen Community College who have completed AS degrees who also meet the criteria set forth by the William Paterson College of Education. Students seeking to major in EC, ELED, and SEC ED and who have maintained a 2.75 grade point average (GPA), will be subject to all the requirements of native candidates at William Paterson University. Students who complete their AS degree and meet the GPA criteria set by WPU College of Education will be guaranteed admission into an Education major with third year (junior) status.

WILLIAM PATERSON UNIVERSITY agrees to accept all the general education credits included in this agreement. Course equivalencies for education prerequisites and education major courses already articulated will also be accepted (see Appendix A) and will serve as the basis for equivalencies.

This agreement will become effective immediately upon the signatures of both parties. Immediately thereafter **William Paterson University** will provide information packets for transfer admission, special transfer days, and other recruitment services. In turn **Bergen Community College** will make available to its students all information, including the list of course equivalencies pertaining to this agreement. The agreement and equivalencies will be reviewed on a regular basis.
