Course		Employ strategies of active reading and close textual analysis to interpret and exvaluate fiction and non-fiction texts	Demonstrate, in discussion and writing, an understanding of the argumant in a text, including the underlying assumptions and the rhetorical strategies used to persuade readers	Respond to readings using a process approach to writing, including thesis development, outlining, drafting, and editing. Use rhetorical strategies that reflect an awareness of audience.	Support written interpretation with appropriate, properly formatted evidence from the text; integrate evidence in a coherently structured essay form.	Represent accurately the work of others through summary, paraphrase, and quotation; distinguish others' ideas from one's own interpretation.	Incorporate research in support of an argument; demonstrate competency with research technology in a digital environment.	Develop skills in writing and revising creative non-fiction, poetry, and drama	Employ techniques, strategies, and formats essential to effective communication in scientific, business, and technical writing.
