The Center for Institutional Effectiveness

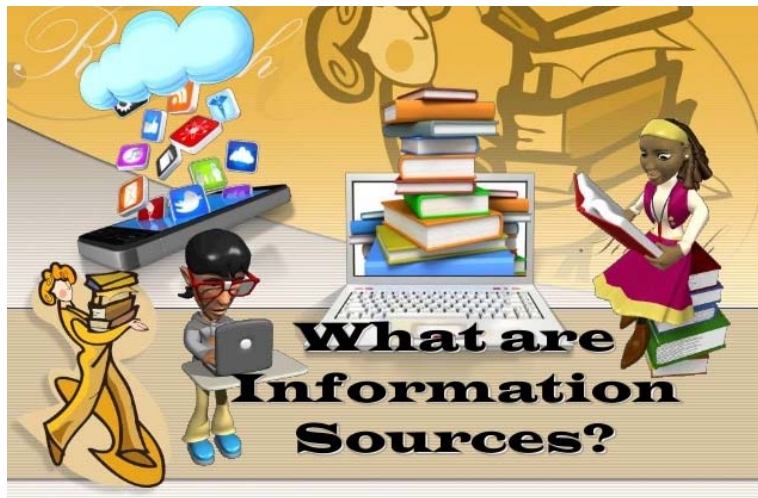

The mission of the CIE is to promote institutional policies, practices and activities, which enhance institutional effectiveness; to foster on campus a culture that values inquiry, evidence; and collaboration and to support college-wide decision-making and planning initiatives by collecting, analyzing and reporting information about the College.

The Office of Institutional Research

- links strategic planning, college goals, and institutional data
- provides data to support grant development and evaluation, assessment activities, academic program review, etc.
- provides data to support departments' goals
- provides mandated data to government agencies
- provides data for internal and external dissemination
- participates in discussions about the College's performance and student outcomes
- serves as a resource for research design and methodology related to research and evaluation activities

Data Sources

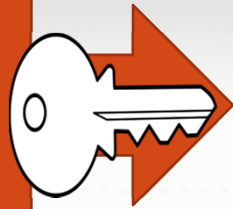

- Colleague (Ellucian)
- National Student Clearinghouse
- Surveys
- EMSI
- Departments across campus

The screenshot shows the Bergen Community College website. The header includes the college logo, navigation links (Home, About Us, Academics, Community, Current Students, Faculty & Staff, New Students), and a search bar. The main content area features a banner for the Center for Institutional Effectiveness. Below the banner, a breadcrumb trail reads: "You are here: Home » About Us » Institutional Effectiveness » Institutional Research". A purple sidebar on the left lists various resources under the heading "Institutional Research": Athletics Data Report, Data Request Form, Fact Books, Graduation/Transfer Rate Report, Program Dashboards, Quick Facts, Reports, Resources, Strategic Planning, and Surveys. The main content area, titled "Institutional Research", describes its role in supporting college-wide decision-making and lists its activities, including compiling an annual Fact Book, surveying students and faculty, monitoring enrollment trends, and reporting on planning and accountability. At the bottom, logos for SAM (Student Achievement Measure), VFA (Voluntary Framework of Accountability), and NCCBP (National Community College Benchmark Project) are displayed.
