

Clinical Oncology Open Learning (COOL) Program

Clinical Oncology Open Learning (COOL) at Memorial Sloan Kettering Cancer Center (MSK) is a six-week summer internship designed to encourage undergraduate students to consider careers as cancer physicians.

Students will be exposed to clinical learning, participation in multidisciplinary conferences, and one-on-one teaching with MSK physicians and staff.

THERE ARE COOL OPPORTUNITIES AT THE FOLLOWING MSK SITES:

Brooklyn

- Flatbush

Long Island

- Commack
- Hauppauge
- Nassau

New Jersey

- Basking Ridge
- Bergen
- Monmouth

Westchester

- West Harrison

Focus on students from underrepresented communities

Weekly stipends

On-site experience with hybrid lectures

Applications open November 2023: [Click here](#) or scan the QR code
