

## What We Do

The Dual Enrollment Program at Bergen Community College allows high school students to **earn college credit at a 50% reduced rate** while completing high school requirements. Courses are taught at the high school by BCC-approved instructors. Students **must have a minimum 2.75 GPA** and demonstrate readiness. Completed courses earn a letter grade recorded on the official BCC transcript.

## Tuition + Fees

Dual enrollment students are eligible for the reduced cost per credit rates below due upon enrollment:

- **In-County** \$81.07 per credit
- **Out-of-County** \$166.52 per credit
- **Out-of-State** \$175.17 per credit
- **Registration Fee** \$16.80 (one-time)

Students who participate in the Free and Reduced Lunch Program are eligible to receive a tuition waiver.

## Enrollment Process
