

Mandatory Immunizations (Vaccines) Fact Sheet

Students who are full-time (12 or more credits per semester) and part-time are required to submit a record of their immunizations to the college, according to NJAC 8:57 - 6.1- 6.16 (regulated by the NJ Dept. of Health.)

The required vaccines are:

- 1. Measles, Mumps and Rubella (also called MMR)**
- 2. Hepatitis B Vaccines**
- 3. Meningitis Vaccine (MenACWY or Men ABCWY) required for ages 16-23 yo**

Many of these vaccines may have been given to you during your childhood.

Your records may be available from your parents, doctor, high school, or even on a childhood immunization record from your country.

You can:

- 1) drop them off at the Health Services office: HS-100,**
- 2) Send them to this link: <https://lf.bergen.edu/forms/hs0002>**

If you are unable to locate your records, please contact us at Health Services for further information. Our phone is 201-447-9257.
