

**NURSING & HEALTH PROFESSIONS STUDENTS
IMMUNIZATION POLICY/CHECKLIST Fall 2026**

This information sheet is provided to assist you and your health provider with all the requirements that are now needed for all Nursing, and Health Professions students. **Please read it completely and carefully.**

Our clinical affiliate hospitals have imposed, effective immediately, the following requirements that affect all Nursing Students, Health Professions and Health Professions staff.

The due date is July 1, 2026. ALL forms must be submitted at one time via the health professions link:

<https://lf.bergen.edu/forms/hs0001>. Please submit as a pdf or jpeg. Our system does not open documents sent as HEIC attachments. **Please make sure your physician has signed, dated, and stamped all required forms**, as it may delay your approval of submission. You may email any questions to healthservices@bergen.edu using your Bergen email address.

1. A physical form needs to be filled out by your provider. Exam must not be no more than 6 months old. The other side is the Nursing and Health Professions Immunization Requirement Form.
2. All Nursing and Health Professions students are required to have **titers drawn** for Measles (Rubeola), Mumps, Rubella, Varicella and Hepatitis B surface antibody. **Laboratory reports must be attached.** If titers are non-immune/negative, **you must be revaccinated.** If you have to get a series of vaccines, please submit your proof as you are getting it. **DO NOT** wait until you receive all to submit proof.
3. If Hepatitis B Surface Antibody blood titer is negative/non-immune (**must attach titer report**) and you have proof that you have received the vaccines series, you can sign a declination (attached) and must attach the immunization record indicating the three prior dates.
4. If Varicella titer is negative/non-immune (**must attach titer report**) you may choose not to be revaccinated if you have attached your Immunization record showing 2 dates. If prior records are not available **revaccination** is required.
5. A recent Tdap vaccine. (within 10 years) (Please note that a TD, or dtap is not in compliance.)
6. **IF APPLICABLE**, proof of Meningococcal vaccines if you are 23 or younger.
7. Flu vaccination. Consent to inject form must be attached along with Influenza Vaccine. **DUE OCT 1st**
Mandatory Reporting Form.
8. Covid-19 vaccine immunization card must be submitted with your medical forms' submission. Boosters are also required.
9. TB screening must be a 2-step for first year students, or a QuantiFERON Gold blood test or Spot Blood test.
Copy of labs must be attached. (Form is attached for 2-step.) If your tests are positive, a chest x-ray is required.
10. OSHA Questionnaire: Complete all 3 pages, sign and submit.
11. Drug Screening (The form is attached with specific requirements and due date)
12. Copy of Health/Medical Insurance Company/Group card. (If you do not have health insurance, you can purchase a limited policy through the Bursar's office. Please contact the Bursar's office at bursaroffice@bergen.edu)
