### IMMUNIZATION POLICY/CHECK LIST FALL 2021

#### To all NURSING, HEALTH PROFESSIONS and HEALTH PROFESSIONS STAFF

This information sheet is provided to assist you and your health provider with all the requirements that are now needed for all Nursing, Health Professions and Health Professions staff. **Please read it completely and carefully.**

The attached forms must be submitted via the health professions link that was provided in your acceptance packet. Staff can email to [healthservices@bergen.edu](mailto:healthservices@bergen.edu) **The due date is Wednesday, AUGUST 25th, 2021 for the Fall 2021 semester.** It is understood if only a first dose of a series is being submitted. **ALL** your forms must be submitted at one time **EXCEPT** for the flu vaccine requirement, please follow the directions carefully from your acceptance packet. You can email any questions to [healthservices@bergen.edu](mailto:healthservices@bergen.edu). Using your Bergen email address is highly recommended for proper notification.

Our clinical affiliate hospitals have imposed effectively immediately, the following requirements that affect all Nursing Students, Health Professions and Health Professions staff.

1. A physical form needs to be filled out by your provider no more than than 6 months old. It is side 2 of the Nursing and Health Professions Immunization Requirement Form.
2. All Nursing, Health Professions students and Health Professions staff are required to have titers drawn for Measles (Rubeola), Mumps, Rubella, Varicella and Hepatitis B surface antibody. Laboratory reports must be attached immune or non-immune. If titers are non-immune/negative you must be revaccinated.
3. If Hepatitis B Surface Antibody blood titer is negative/non-immune and you have proof that you have receive the vaccines, you can sign a declination (attached) if you want, but you must attach the immunization record indicating the three dates.
4. If Varicella titer is negative/non-immune you may choose not to be revaccinated as long you have attached your Immunization recording showing 2 dates. If prior records are not available revaccination is required.
5. A recent Tdap vaccine. (within 10 years) (Please note that a TD, or Dtap is not in compliance.) attach immunization records is applicable.
6. **IF APPLICABLE**, Meningococcal vaccine 2 doses at age 11-18yrs old or 1 dose at age 19-23yrs od. Attach immunization record.
7. Flu vaccination **accepted time period is August 1- October 1, 2021.** Consent to inject form be attached along with Influenza Vaccine Mandatory Reporting form by the date of **October 1, 2021.**
8. TB screening must be a 2-step for first year students, or a Quantiferon Gold blood test or Spot Blood test. Copy of titer must be attached. (Form is attached for 2-step.)
9. Respirator Medical Evaluation Questionnaire. Please complete all 6 pages.
10. Drug Screening (A form is attached with specific requirements and due date)
11. Copy of Health/Medical Insurance Company/Group card. (If you do not have health insurance, you can purchase a limited policy thru the Bursar's office. Please contact the Bursar's office at [bursaroffice@bergen.edu](mailto:bursaroffice@bergen.edu) for more information).
