**Influenza Vaccine Mandatory Reporting**

**Nursing and Health Professions Students/Staff**

Beginning January 1, 2013, the Centers for Medicare and Medicaid Services (CMS) have mandated that hospitals report summary data on influenza vaccination of healthcare personnel (HCP) for the influenza season. The required HCP includes all students and faculty 18 years of age or greater.

**Please submit this letter with documentation from your Health Care Provider that influenza vaccination was given. Please note to have your vaccine given in accordance with the flu season. Aug 31-Oct 1st for the FALL 2024 semester**
