FOREWORD

The 2015-2016 Edition of the Bergen Community College Fact Book presents data relating to enrollment, graduates, faculty and other personnel, college finances and demographics. The Fact Book has several purposes: to provide data which may assist the administration in planning and decision making; to give the college community an overview of the student, personnel and financial profiles of the college; and to serve as a reference document which answers many of the most often-asked questions about the college.

About Bergen Community College

Bergen Community College was founded in 1965 to satisfy the region's need for a convenient, affordable and comprehensive higher education destination. The College currently enrolls nearly 15,000 students in credit courses. The College's three instructional sites in Paramus (main campus), Hackensack (Ciarco Learning Center) and Lyndhurst (Bergen Community College at the Meadowlands) offer exceptional opportunities for students enrolled in degree, continuing education and adult education programs.

The College boasts an accomplished faculty, cutting-edge facilities and opportunities for cultural awareness, civic engagement and service-learning.

Graduating students not only utilize the statewide transfer agreement to attend New Jersey's four-year schools, but use Bergen's reputation as a top community college to propel them to institutions nationwide. Students in career programs enter the workforce with the skills they need in order to succeed.

Within the last decade, Bergen has seen considerable growth in both size and facilities. Since 2005, the number of degrees and certificates awarded annually has doubled. Physical additions to the college include a concrete sidewalk leading to Honors Hall in Paramus, NJ and a newly renovated complex in Lyndhurst, NJ that serves as the current home of BCC's new Paramedic Science Program. Most recently, the college continued construction on a new Health Professions Integrated Teaching Center and added a wireless camera system to parking lots A/B/C in Paramus, NJ.

In 2016, Bergen Community College will go through its ten year self-study review by the Middle States Commission on Higher Education (MSCHE) to reaffirm its accreditation.

Glossary of Reporting Codes

Program Code Reference

In an effort to provide consistent and accurate data, the Center for Institutional Effectiveness, in accordance with the Academic Deans and the Academic Department Chairs, has created the following glossary of program codes. This glossary shows how codes have been combined and reported together to account for changes in codes due to program modifications, closures, and other alterations. For instance, the Law Enforcement program includes students registered under the active code of AAS.HS.LAWENF as well as students registered under the closed code AAS.HS.CRIMJ to reflect the code change that the program underwent.

Number of Credits

Number of Credits Highlights

- In the Fall 2015 semester, students were taking a total of 155,781 credits, a decrease from the previous year's total of 167,024 credits.

- Eighty-four percent of these credit enrollments were degree credits, with the remaining 16% consisting of Developmental Education (Developmental Mathematics and English Basic Skills) and American Language Program course credits.

- Full-time students were responsible for taking 72.4% of the credits while part-time students were responsible for the remaining 27.6%.

Glossary of Reporting Codes

Program Code Reference

In an effort to provide consistent and accurate data, the Center for Institutional Effectiveness, in accordance with the Academic Deans and the Academic Department Chairs, has created the following glossary of program codes. This glossary shows how codes have been combined and reported together to account for changes in codes due to program modifications, closures, and other alterations. For instance, the Law Enforcement program includes students registered under the active code of AAS.HS.LAWENF as well as students registered under the closed code AAS.HS.CRIMJ to reflect the code change that the program underwent.
