Data Boxes Report

FOREWORD

The Office of Institutional Research (IR) at Bergen Community College presents the fifth iteration of the Data Boxes Report. In keeping with the principles of storytelling and data visualization, the Data Boxes Report incorporates the Rule of Three, i.e., focusing on only three statistics that are easily digestible and memorable. These statistics, the number of enrollments, the number of degrees awarded, and the number of transfer students by program, tell a very compelling story year to year. By presenting enrollments, graduation numbers, and transfer numbers, a program's Data Box shows how many students started or continued in the program, how many eventually completed the program and graduated, and how many continued their journey elsewhere without graduating from Bergen.

Some stories can be quite compelling. For instance, the Data Box for the Associate of Science in Sports Management (AS.PS.SPORTS.MGMT) offers a wealth of information.

Enrollment		Fall 2014	Fall 2015	Fall 2016	Fall 2017	Fall 2018	5-Yr Average
Sports Management	AS.PS.SPORTS.MGMT	0	0	34	57	75	33.2
Graduates		2014	2015	2016	2017	2018	5-Yr Total
Sports Management	AS.PS.SPORTS.MGMT	0	0	0	1	4	5
Transfers		2014	2015	2016	2017	2018	5-Yr Total
Sports Management	AS.PS.SPORTS.MGMT	0	0	0	7	16	23

The program started accepting students in Fall 2016 and quickly gained popularity growing by 120% in two years. Students also started graduating from it right away. As the table shows, the first student to graduate did so in 2017. One might speculate that this graduate was most likely a transfer-in from another school or another program, as it generally takes more than a year to complete an Associate's degree. Another notable observation about the Sports Management story is the number of students who transfer out of the program (and Bergen Community College) before graduating. This raises questions about why so many of the program's enrollees are deciding to continue their journeys elsewhere without first completing a degree at Bergen. This is exactly the type of conversation the Data Boxes should be cultivating. As always, the IR team encourages these kinds of analyses and are here to provide assistance in unraveling the stories behind each program.

INTRODUCTION

Data Boxes were originally made in order to streamline the ability to look at both a program's enrollments and degrees awarded in one chart. Transfer data were then added to include another outcome for the program. Each Data Box includes enrollment information for the past five fall semesters, number of degrees awarded for the past five academic years, and number of students who transferred from the program to another 2-year or 4-year college over the same 5-year period. Fall enrollment in a program is based on 10th day numbers where a student needs to be enrolled on the 10th day of the semester in order to be counted in the enrollment snapshot. Graduation numbers are based on the SURE Graduation file. Each graduation year contains three separate graduation dates as follows:

2014 Graduates	2015 Graduates	2016 Graduates	2017 Graduates	2018 Graduates
August 2013	August 2014	August 2015	August 2016	August 2017
December 2013	December 2014	December 2015	December 2016	December 2017
May 2014	May 2015	May 2016	May 2017	May 2018

Transfer numbers are based on the student's active program during his/her last registered term at BCC before he/she transferred. These students transferred either in the same fiscal year as their last term or the next fiscal year¹. Transfer institutions can either be 2-year or 4-year institutions and transfer students do not include any students who graduated from BCC in fiscal years 2014, 2015, 2016, 2017, or 2018.

Throughout this report, boxes for closed programs (i.e. programs that are no longer accepting new students) are shaded to denote this distinction.

¹ For 2014 and 2015, students were given two full fiscal years to transfer (e.g. for 2015, students had to have transferred between July 1st, 2014 and June 30th, 2016). For 2016, students who left Bergen had to have transferred between July 1st, 2015 and November 15th, 2016 in order to be counted. For 2017, students who left Bergen had to have transferred between July 1st, 2016 and November 15th, 2017. For 2018, students who left Bergen had to have transferred between July 1st, 2017 and November 15th, 2018.
