What you need to know:

- Applicants may not apply directly to The School of Health Professions Program. International applicants must first apply to a general program, for example, the Associate of Science, Natural Science and Math, General (AS.NSM.GEN) and then apply for a change of major after one semester of study or after fulfilling all prerequisites.
- **Second Bergen Community College Degree** – Students who have completed a certificate or degree program at Bergen Community College and wish to pursue another certificate or degree at the College must complete and submit a new application for admission. Credits earned toward or for a prior degree or certificate are considered transfer credits and apply toward a second degree as outlined in the College Residency Policy. Such applicants should write “*Second degree*” at the top of their applications. **Students may earn only one Associate in Arts (A.A.) and one Associate in Science (A.S.) degree at Bergen Community College. Two or more Associate in Applied Science (A.A.S.) degrees and certificates are permissible if in different majors.**
- Standardized tests (the SAT or TOEFL) are not required for admission. However, if students have taken the SAT and scored 540 or above on the Critical Reading section of the test, or scored an 80 or above on the Internet Based TOEFL, they may be exempt from language based placement testing. Test scores must be submitted to the Office of Testing Services upon arrival in the US. For information on testing, please visit www.bergen.edu/testing.
- If a student is not exempt from the language based placement test, he or she will take the Level of English Proficiency (LOEP) test at BCC. This is not an entrance examination; it is used for placement only. If it is necessary for a student to take English as a Second Language courses through the American Language Program (ALP), the test score will determine the appropriate ALP course level. Each level is one semester long.
- International students at BCC are required to show sponsorship of at least \$22,000 at the time of application. The \$22,000 figure reflects tuition and fees for one academic year of study and estimated living costs. Tuition and fees for an international student are estimated at \$10,000 per year, or approximately \$5,000 per semester.
- Applicants transferring from another US institution and who plan to live with a friend or family member in the US may complete the Agreement of Support for Room and Board Agreement and are only required to submit a bank statement showing \$12,000 (estimated tuition costs).
- An applicant that wishes to bring a spouse to the US (on an F-2 visa); an additional \$12,000 must be reflected in the financial statements and indicated on the Agreement of Support Form. If the applicant wishes to bring a dependent child, an additional \$6,000 must be reflected on the affidavit and bank statements.
- Remember, BCC does **NOT** provide housing and therefore students must obtain housing on their own.
- International students are **NOT** eligible for the in-county tuition rate, and are therefore charged out-of-county tuition rates. Financial aid is not available to international students.
- Admitted international students are strongly advised to purchase adequate health insurance coverage.
- Upon being admitted, students will receive a medical history form, which will require a physical examination by a doctor and proof of immunization records in English. This examination can be performed either in the student’s home country or in the US upon arrival. Students will have to show proof of immunization against Measles, Mumps and Rubella in English. It is extremely important that students submit necessary health records. The form can be found at: www.bergen.edu/isc/forms.
