

## Importing Course Content from One Course to Another

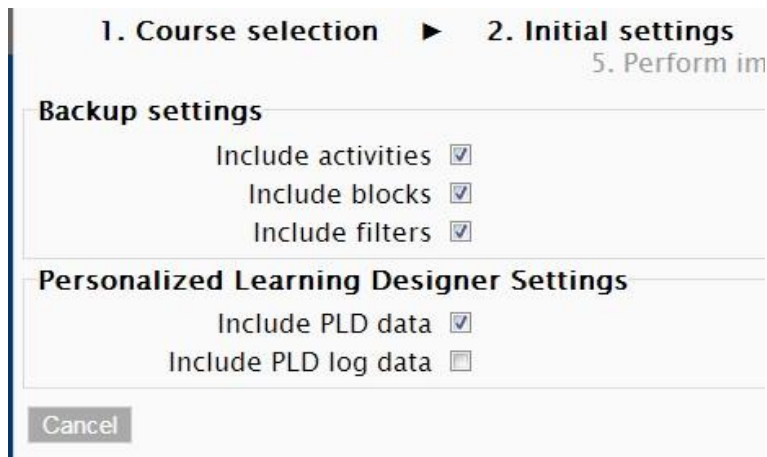

To import content from one course to another follow these steps;

1. Go to the empty course shell.
2. Click the Gear icon  on the right hand corner and click Import.
3. Select the radio button for course that is holding the content. If it is not in the list, enter the course name in the search box then click continue.

Total courses: 8	
Course short name	Course full name
<input type="radio"/> 2013SP SOC-101-094WB_1	2013SP Sociology (SOC-101-094WB) copy 1
<input type="radio"/> 2012FA HIS-114-602	2012FA 20 Cent US Since WWII (HIS-114-602)
