Approval Date: July 9, 2019

Resolution
To award Public Bid P-2295, TV Studio Equipment, to vendors listed below for items that replace obsolete and unsupported equipment in the Broadcast Center’s Instructional Studio/Control Room.

Submitted By
Dr. Brian D. Agnew, Executive Vice President
Mr. Ron Spaidne, Chief Information Officer
Ms. Barbara Golden, Director Purchasing and Services

Action Requested
Authorization to award Public Bid P-2295, TV Studio Equipment, to the vendors listed below based on prices submitted.

Justification
This project replaces obsolete and unsupported equipment in the Broadcast Center’s Instructional Studio/Control Room. The television production facility in West Hall Studio A is solely for instruction of the Broadcasting Degree program. The upgrade of this facility is vital to staying current and maintaining compatibility with today’s television studios where our students strive to work. 2004 was the last time the studio equipment was updated. Given the system’s complexity and strict broadcast standards, this equipment will be installed directly by the college’s Media Technology Staff under the Manager’s direction to assure smooth operation for our Faculty and Students.

This bid included 102 line items. The award is based on the lowest responsible bid for each line item. Bids from Adorama Inc. and CDW Government LLC were rejected. Adorama did not submit proper documents with its bid and CDW included an alternate Bid Sheet and terms and conditions. Eighteen companies registered for the bid packages and seven bids were received.

Mr. Ron Spaide, Chief Information Officer
Ms. Barbara Golden, Director, Purchasing and Services

Action Requested
Award Public Bid P-2294 for a television studio set to Erector Sets Inc. at a cost of $64,500.00.

Justification
This set replaces an old and outdated set which was designed and built back in the mid 90's. The old set is structurally wearing and had to be mostly removed from the studio. This new set will create a professional look and more polished scenery for television and news productions that match today's modern broadcast news sets. It also brings a fresh new look with diverse features for several different studio projects and class assignments.

This new scenery/background added with the video equipment upgrades will significantly enhance the Broadcasting Students' learning environment rivaling several broadcast news companies and facilities.

Resolution
Approving a settlement agreement with Fine Wall Corporation ("Fine Wall"), in the amount of $18,500, to resolve Fine Wall's claim concerning a change order to Fine Wall’s contract for extra work on the Pitkin Gymnasium Renovation Project.

Submitted By
Dr. Brian D. Agnew, Executive Vice President

Action Requested
Approval of a settlement agreement with Fine Wall Corporation, in the amount of $18,500, concerning its claim for payment for extra work on the Pitkin Gymnasium Renovation Project.

Justification
Fine Wall was previously awarded the contract for the Pitkin Gymnasium Renovation Project. After installation of the gymnasium ceiling was completed, the College requested that Fine Wall take additional measures to secure the gymnasium ceiling ("Extra Work") to ensure the safety of students and others using the Gymnasium. At the time of the College’s request, it believed that Fine Wall had followed the manufacturer’s written instructions regarding initial installation. Fine Wall submitted an invoice to the College in the amount of $21,700.50 for the Extra Work, which the College rejected after having discovered that Fine Wall had not followed the manufacturer's written installation instructions. Fine Wall filed suit against the College alleging, among other things, that (i) it was directed by the College to perform the Extra Work with the understanding that it would be compensated and (ii) Fine Wall’s installation “plan” was approved at a meeting with the manufacturer's and College’s representatives prior to the initial installation. Given the disputed facts and the costs of continuing litigation, it is in the College’s best interest to settle the matter, and Fine Wall has agreed to dismiss its complaint in exchange for the payment of $18,500.

To award Public Bid P-2303 for construction of an outdoor student quad to Adamo Brothers Construction.

Submitted By
Dr. Brian Agnew, Executive Vice President
Mr. William Corcoran, Vice President, Facilities Planning, Operations and Public Safety
Mr. Robert Coane, Director, Campus Planning
Ms. Barbara Golden, Director, Purchasing and Services

Action Requested
Award Public Bid P-2303 for New Student Quad to Adamo Brothers Construction in the amount of $1,295,000.00.

Justification
A number of the health professions programs would benefit from an exterior area where staging of various situations could be simulated. This will allow programs to be expanded beyond classrooms and laboratories. To provide this enhanced teaching opportunity, the open area directly adjacent to the Health Professions Building is ideally suited to be developed into an exterior area that would be used as an interdisciplinary meeting space for creation of emergency care and simulation scenarios, and drills for outdoor emergencies and triage.

A total of 8 companies registered for bid packages and 3 bids were received. See table below for bids received.

Resolution
To approve the naming of the Veterinary Technology Building as the **Suzanne M. Helff Hall**, effective September, 2019.

Submitted By
Dr. Michael D. Redmond, President
Mr. Ronald G. Miller, Executive Director, Foundation
Mr. Dan Foley, President, Bergen Community College Foundation
Mr. William Corcoran, Vice President, Facilities Planning, Operations and Public Safety

Action Requested
To accept the resolution passed by the Bergen Community College Foundation at its June 11th meeting to name the Veterinary Technology Building as the **Suzanne M. Helff Hall**, effective September, 2019.

Justification
In around 2009, Bergen Community College President Jerry Ryan entered into an agreement with long time faculty member, Peter Helff, Sr. with regards to the potential naming of the Veterinary Technology Building, following the untimely death of Professor Helff's daughter. The agreement stipulated that the College would name the building in memory of Suzanne M. Helff, upon reaching a fundraising goal of $100,000. In April 2018, this goal was met.
