Submitted By

Dr. Eric M. Friedman, President
Dr. Anthony Trump, Vice President of Student Affairs
Mr. Ron Spaide, Chief Information Officer
Mr. Wilton Thomas-Hooke, Chief Financial Officer
Ms. Stephanie Weise, Director, Purchasing and Services

Action Requested

Authorization to renew the College's multi-year agreement for the Monitor, Align and Predict software modules with Ad Astra for the period of 3/28/2025 through 12/31/2027 at a cost of \$295,084.68. The term of the renewal aligns and co-terms with the College's existing Ad Astra Essential Scheduling contract.

Annual payments are as follows:

FY 2025:	\$78,232.64 (9 months only)
FY 2026:	\$106,300.04
FY 2027:	\$110,552.00

Justification

The Monitor software module provides visibility into registration data after the course schedule is created. This tool provides transparency as well as predicts and notifies users when courses are nearly full, or enrollment is lagging. The Align and Predict module leverages data on historical course enrollment patterns, enrollment simulation, student pathways, student progress, and modality preferences which aligns course schedules to meet student needs. This module provides tailored schedule recommendations to produce a more student-friendly and efficient course schedule.

Ad Astra's Monitor, Align and Predict software in conjunction with Essential Scheduling provides the College with the ability to:

- Offer classes in the appropriate sequence to support student persistence and completion in a timely fashion.

- Produce a course schedule that maximizes the number of course hours taken so that students can complete their program of study in a reasonable amount of time.
- Build efficiencies into the course schedule process to assist administrators in real time with managing the course schedule and demand for classes.
- Assess our course schedule and compare it to national best practices to identify areas for improvement.
- Construct a long-term strategy to promote efficiencies in space, credit loads, retention, and completion rates for students.
- Create scheduling efficiencies to increase the average credits per student and improve opportunities for timely graduation.

The college has a need to award this procurement as a non-fair and open contract pursuant to the provisions of N.J.S.A. 19:44A-20.4. Ad Astra Information Systems, LLC. has submitted a Political Contribution Disclosure Form and a Stockholder Disclosure Form in accordance with N.J.S.A 19:44A-20.26 and a Business Entity Disclosure Certification in accordance with N.J.S.A. 19:44A-20.8, certifying that it has not made any reportable contributions to a political or candidate committee in the County of Bergen in the prior year, and that the contract will prohibit it from making any reportable contributions through the term of the contract. The Political Contribution Disclosure, the Stockholder Disclosure Certification and Business Entity Disclosure will be maintained on file at the College.

Submitted By

Dr. Eric M. Friedman, President
Mr. Ron Spaide, Chief Information Officer
Mr. Wilton Thomas-Hooke, Chief Financial Officer
Ms. Stephanie Weise, Director, Purchasing and Services

Action Requested

To authorize the renewal of the College's Cyber, Privacy, and Security Liability insurance coverage for one year from March 3, 2025, through March 3, 2026, from Chubb/ACE American Insurance through the Otterstedt Insurance Agency at a cost of \$87,237.02, including 10 % commission and 0.6% NJ Property-Liability Insurance Guaranty Association surcharge.

Justification

The College's insurance consultant, Otterstedt Insurance Agency, recommends renewal of this insurance policy with Chubb/ACE American Insurance due to the comprehensive coverage and coverage amounts offered. Coverage includes services for notifications and credit monitoring, forensics and crisis management, privacy, network security and internet media liability, business interruption, and network extortion. CFC Underwriting Limited did not provide a quote at the \$5,000,000.00 level. This policy renewal costs represents a \$895.40 increase or 1.14% increase over the prior year's premium.

The College needs to procure this insurance through a non-fair and open process in accordance with the provisions of N.J.S.A. 19:44A-20.4. Otterstedt Insurance Agency has completed and submitted a Political Contribution Disclosure Form and a Stockholder Disclosure Form in accordance with N.J.S.A. 19:44A-20.26 and a Business Entity Disclosure Certification in accordance with N.J.S.A. 19:44A-20.8, certifying that it has not made any reportable contributions to a political or candidate committee in the County of Bergen in the prior year, and that the contract will prohibit it from making any reportable contributions through the term of the contract. The Political Contribution disclosure, the Stockholder Disclosure Certification and Business Entity Disclosure will be maintained on file at the college.
