Math – Science Majors Mathematics Course Sequence

Students must have completed Developmental Math Courses (MAT-040 or MAT-048) or the equivalent by testing before beginning college level Mathematics Courses.

**MAT-160**
Intermediate Algebra
4 lectures, 4 credits
*Not a General Education Course*

**MAT-180**
PreCalculus
4 lectures, 4 credits

**MAT-280**
Calculus I
4 lectures, 4 credits

**MAT-281**
Calculus II
4 lectures, 4 credits

**MAT-282**
Calculus III
4 lectures, 4 credits

**MAT-283**
Differential Equations
4 lectures, 4 credits

**MAT-285**
Discrete Mathematics
4 lectures, 4 credits

**MAT-286**
Linear Algebra
4 lectures, 4 credits
