Resolution

Reaffirm the Credit Programs, Curricula, and Courses Offered at Bergen Community College

Submitted By

Dr. Eric M. Friedman, President

Dr. Andrew Tomko, Vice President of Academic Affairs and Provost

Action Requested

Reaffirm the credit programs, curricula, and courses as published in the 2025 -2026 Bergen Community College Catalog as the official curricula of the College and until such time as they are revised, amended, rescinded, or new programs are adopted through the appropriate College policies and processes.

Justification

Under the Higher Education Restructuring Act, Boards of Trustees have increased responsibility for curricula and programs. It has been recommended that the College Catalog listings of credit programs be reaffirmed at the annual reorganization meeting, as published on the college website:

BOARD OF TRUSTEES ACTION A/F 2
Approval Date: November 25, 2025

Resolution

To authorize the award of Public Bid P-2417 for On-Call Locksmith Services to Parent Door Hardware Sales and Services, Inc.

Submitted By

Dr. Eric M. Friedman, President
Mr. Wilton Thomas-Hooke, Chief Financial Officer
Mr. Nathaniel Saviet, Vice President of Facilities
Ms. Stephanie Weise, Director, Purchasing and Services

Action Requested

Authorization to award Public Bid P-2417 for On-Call Locksmith Services to Parent Door Hardware Sales and Services, Inc. for an estimated amount of \$331,993.80 for a two-year period beginning November 30, 2025, through November 29, 2027, with an option to extend for one additional year.

Justification

The College requires routine and emergency repair services for all doors and door systems, including automatic doors, fire-rated doors, mechanical systems, keys, latches, and other entry controls devices in all college buildings. These services are required on an as-needed basis to provide continuous coverage to ensure safe and secure facilities.

Bids were received from:

Resolution

To authorize the award of Public Bid P-2415 for Solid Waste Collection, Disposal and Recycling Services to Gaeta Recycling Co., Inc.

Submitted By

Dr. Eric M. Friedman, President
Mr. Wilton Thomas-Hooke, Chief Financial Officer
Mr. Nathaniel Saviet, Vice President of Facilities
Ms. Stephanie Weise, Director, Purchasing and Services

Action Requested

Authorization to award Public Bid P-2415 for Solid Waste Collection, Disposal and Recycling Services to Gaeta Recycling Co., Inc. for an estimated amount of \$401,880.00 for a three-year period from February 1, 2026, through January 31, 2029.

Justification

The College requires comprehensive recycling and waste removal services to facilitate clean, safe, and environmentally responsible campus operations. Consistent recycling and disposal practices allow the College to comply with local, state, and federal regulations while promoting campus-wide initiatives to reduce environmental impact and foster a culture of sustainability among students, faculty, and staff. These services include the routine collection and transportation of solid waste as well as the delivery of recyclable materials to designated processing facilities. Reliable waste management is critical to maintaining sanitary conditions, preventing health and safety hazards, and supporting the College's commitment to sustainability and good environmental stewardship.

BOARD OF TRUSTEES ACTION A/F 5
Approval Date: November 25, 2025

Resolution

To authorize the renewal of the College's Blackboard Ally software for Canvas with Anthology through lead agency Edge for the period of January 1, 2026, through December 31, 2026, at a cost of \$35,145.00.

Submitted By

Dr. Eric M. Friedman, President
Mr. Ron Spaide, Chief Information Officer
Mr. Wilton Thomas-Hooke, Chief Financial Officer
Ms. Stephanie Weise, Director, Purchasing and Services

Action Requested

Authorization to renew the College's agreement for Blackboard Ally software for Canvas LMS with Anthology through lead agency Edge (Contract# EMLAS-19-003) for the period of January 1, 2026, through December 31, 2026, at a cost of \$35,145.00.

Justification

The Blackboard Ally (Ally) software allows the College to automatically run course materials through an accessibility checklist that tests common accessibility issues. Ally will then generate a range of more accessible alternatives based on the instructor's original course and make these available to the students. These alternative accessible formats include Semantic HTML, audio, ePub, and electronic braille. Ally provides an institution-wide course content accessibility report that provides deep insights into how the institution is performing and evolving from a course content accessibility point of view. This report helps to track progress, can highlight problem areas, and can identify initiatives to improve accessibility and compliance issues at the institution.

Resolution

To authorize the purchase of one (1) block of Nutanix nodes from Cyber Security Operations Consulting through Edge.

Submitted By

Dr. Eric M. Friedman, President
Mr. Wilton Thomas-Hooke, Chief Financial Officer
Mr. Ron Spaide, Chief Information Officer
Ms. Stephanie Weise, Director, Purchasing and Services

Action Requested

Authorization to purchase one (1) block of Nutanix nodes from Cyber Security Operations Consulting through Edge cooperative contract # EMLAS-14-001 (00278834) in the amount of \$476,218.98.

Justification

This Nutanix G9 block of nodes will address lifecycle replacement needs for our G7 Nutanix nodes in the College's datacenter. This block of nodes is at the end of its useful life and is no longer capable of receiving security updates, software patches, and maintenance support. Nutanix is the infrastructure of the College datacenter's scalable virtual server environment for our virtual desktop environment and disaster recovery environment.

Resolution

To authorize entering into an agreement with MRA International Inc. through the Bergen County Co-Op #24-38 for the installation of security equipment and IT upgrades at all three Bergen Community College Campus locations for an estimated cost of \$715,266.48.

Submitted By

Dr. Eric M. Friedman, President
Mr. Nathaniel Saviet, Vice President of Facilities
Mr. Wilton Thomas-Hooke, Chief Financial Officer
Mr. David Borzotta, Associate Vice President of Safety and Security
Ms. Stephanie Weise, Director, Purchasing and Services

Action Requested

Authorization to enter into an agreement with MRA International Inc. for the installation of security equipment and IT upgrades at all three Bergen Community College Campus locations through the Bergen County Co-Op #24-38 for an estimated amount of \$715,266.48.

Justification

Upgrading the College's security system is essential to maintaining a safe and secure campus environment. Modern security technology enhances incident prevention and response, and it facilitates compliance with current safety standards and best practices. The proposed upgrade will allow campus security staff to respond more effectively to potential threats or emergencies. Enhanced system interoperability will also strengthen coordination with local law enforcement and first responders, reducing response times and improving overall incident management.

This grant's primary goal is to increase opportunities for women and minorities to acquire skills, increase employment opportunities, and benefit economically from construction/infrastructure projects within New Jersey. The award funds will help the Bergen Community College Continuing Education Division to:

1. Engage contractors in developing and providing construction-related occupational skills training.
2. Assist participants with job placement services targeting employment in a USDOL Registered Apprenticeship program or construction-related job, including lead abatement occupations. These jobs are defined as construction jobs with a pay rate of no less than \$15 per hour. Participants are required to earn a minimum of one industry-valued credential.
3. Provide career pathways (rigorous and high-quality education, training, and other services) in construction-related fields.

No college matching funds are required.
The project description and budget are in development.

BERGEN COMMUNITY COLLEGE

JOB DESCRIPTION

TITLE: Assistant Director of College Readiness and Early College Programs (Professional Staff)

DEPARTMENT: Office of College Readiness and Early College Programs

FUNCTION: The Assistant Director of College Readiness and Early College Programs provides strategic leadership and operational oversight to advance the mission, growth, and day-to-day success of the College's initiatives with K-12 partners. This role supports the Director in developing innovative programs, streamlining enrollment processes, and ensuring high-quality experiences for students, families, and school partners. The Assistant Director builds and sustains strong relationships with educators, administrators, and community stakeholders, while delivering exceptional academic advising, compliance management, and program coordination. Through data-driven decision-making and collaborative leadership, the Assistant Director plays a critical role in expanding access, fostering student success, and enhancing the visibility and impact of Early College and College Readiness pathways.

REPORTS TO: Director of College Readiness & Early College Programs

SUPERVISES: Assigned full-time and part-time staff

MAJOR RESPONSIBILITIES:

1. Coordinates and executes college enrollment processes with multiple partner high schools across all program tracks.
2. Provides leadership in the Early College, Bergen Experience, Dual Enrollment and College Readiness Now Grant programs, including identifying growth opportunities and addressing barriers to access.
3. Supervises part-time staff or student workers as assigned and helps train and mentor internal team members.
4. Serves as a liaison to high school administrators, faculty, and guidance counselors to coordinate schedules, placement, and program logistics.
5. Maintains, reviews, and updates articulation agreements with high school and college partners; ensures compliance, accurate records, and smooth student transitions in alignment with program goals.
6. Collaborates with Academic Affairs, Enrollment Services, IT, and the Bursar to ensure a smooth student and partner experience.
7. Manages a student caseload of dual enrollment students, providing academic advising, success coaching, course planning, and registration support.
8. Develops and monitors the system for student registration, academic progress tracking, and credential completion.
9. Contributes to the planning and execution of signature events such as orientations, cohort kickoffs, information sessions, and college readiness workshops and summer programs.
10. Leads data collection and analysis to evaluate program outcomes, inform strategic decisions, and prepare reports for internal and external stakeholders.

11. Supports program marketing and recruitment efforts, including presentations to students, families, and school administrators, and building a social media presence.
12. Assists with grant administration, budgeting, and reporting requirements.
13. Represents the Director in meetings, committees, and external functions as needed.
14. Performs other duties as assigned by the Director or senior leadership.

QUALIFICATIONS: This position requires a professional, approachable, and enthusiastic presence when engaging with students, families, and K–12 partners, building trust, rapport, and lasting relationships. Success in the role depends on the ability to inspire, motivate, and support staff while upholding high standards for program operations and student achievement. A sharp analytical mindset, meticulous attention to detail, and a commitment to process improvement are essential, along with the capacity to manage high-volume data and program logistics with accuracy, efficiency, and diplomacy.

REQUIRED:

- Bachelor's degree
- 3–5 years of experience in higher education, student services, program coordination, or school/college partnerships.
- Experience working with high school students, families, and educational partners.

PREFERRED:

- Master's Degree
- Bilingual in English and Spanish to support multilingual students and families.

To authorize Bergen Community College ("the College") to enter into an agreement with RSC Architects for the preparation of contract drawings and specifications for the Hydroponic Pods.

Submitted By

Dr. Eric M. Friedman, President
Mr. Nathaniel Saviet, Vice President of Facilities
Mr. Wilton Thomas-Hooke, Chief Financial Officer
Ms. Stephanie Weise, Director, Purchasing and Services

Action Requested

Authorization for the College to enter into an agreement with RSC Architects for the preparation of contract drawings and specifications required to prepare site and provide required foundation structure and utilities need for Hydroponic Pods, at an estimated cost of \$38,000.00, including direct costs.

Justification

The College has received two Hydroponic Pods from the Reed Foundation/Green Do Goods, which require site preparation to ensure proper installation and operation. This preparation includes providing a suitable foundation support structure and extending the necessary utility connections to make the Pods fully functional. Contract drawings and specifications will outline the scope of work and technical requirements, ensuring that bidders have the information needed to complete the project in compliance with College standards. These improvements will enable the College to maximize the use of the donated Pods as educational and sustainability resources.

Received Proposal:

RSC Architects - \$38,000.00 including Direct Costs

Professional services are exempt from bidding in accordance with County College Contracts Law 18A:64A-25.5 (1). To authorize Bergen Community College ("the College") to enter into an agreement with RSC Architects for the preparation of contract drawings and specifications for the Pitkin Education Center cooling tower and 500-ton chiller replacement.

Submitted By

Dr. Eric M. Friedman, President
Mr. Nathaniel Saviet, Vice President of Facilities
Mr. Wilton Thomas-Hooke, Chief Financial Officer
Ms. Stephanie Weise, Director, Purchasing and Services

Action Requested

Authorization for the College to enter into an agreement with RSC Architects for the preparation of contract drawings and specifications required to allow the remove and replacement of the existing Pitkin Education Center cooling tower and 500-ton chiller, at an estimated cost of \$127,600.00, including direct costs.

Justification

The existing cooling tower and 500-ton chiller serving the Pitkin Education Center have reached the end of their useful life and requires replacement. As a critical component of the building's HVAC system, the cooling tower and 500-ton chiller are essential for supporting all cooling and ensures ongoing comfort and continuous operation of the College. Contract drawings and specifications will define the scope of work and technical requirements, providing bidders with the information necessary to complete the replacement safely, efficiently, and in compliance with College standards.

Resolution

To authorize Bergen Community College ("the College") to enter into an agreement with RSC Architects to prepare contract drawings and specifications for the repair and restoration of the spalling concrete of the ceiling/driveway in the basement of the Ciarco Learning Center.

Submitted By

Dr. Eric M. Friedman, President
Mr. Nathaniel Saviet, Vice President of Facilities
Mr. Wilton Thomas-Hooke, Chief Financial Officer
Ms. Stephanie Weise, Director, Purchasing and Services

Action Requested

Authorization for the College to enter into an agreement with RSC Architects to create the contract drawings and specifications required for site preparation, repair, and restoration of the spalling concrete of the ceiling/driveway in the basement area of the Ciarco Learning Center at an estimated cost of \$47,000.00, including direct costs.

Justification

The basement concrete ceiling slab beneath the access driveway from Passaic Road has sustained severe spalling damage due to salt and water intrusion that has compromised structural integrity. Immediate repair and restoration are required to ensure the slab's stability and to safely maintain driveway access to the Ciarco Learning Center. Contract drawings and specifications will clearly define the scope and technical requirements, enabling bidders to deliver the project in full compliance with College standards.

Ms. Stephanie Weise, Director, Purchasing and Services

Action Requested

Authorization to award a contract for \$148,200 to **T&M Associates** to prepare plans, specifications, and agency permitting documentation for the parking lot storm water management renovation at the Lyndhurst Campus.

Justification

The current storm water management system at the Lyndhurst Campus parking lot has significantly deteriorated and has frequent and severe ponding. The standing water reduces available parking space and inconveniences students, staff and visitors. Renovations to the system will ensure proper drainage, preserve infrastructure integrity, and enhance overall safety and accessibility to the campus.
