Dear Student,

The Joint Commission on Accreditation of Healthcare Organizations (JCAHO) now requires all healthcare students to have their identity verified and a criminal history search conducted prior to being allowed to participate in any cooperative educational program. In order to facilitate these requirements, Bergen Community College has engaged Adam Safeguard to provide necessary service.

The fee is $45.50 for the base package to include system usage, profile storage, Social Security Trace, National Sex Offender Search, an OIG Sanction Search, and New Jersey Criminal History Search. Your Social Security Trace will dictate what venues are searched. If any address in any additional state is found, we are required to search the county found in that state. The fees for additional locations are as listed and are in addition to the package price above (NJ Sales Tax will be added):

• NY - $75
• PA - $20
• All other states by county - $10 each (plus any county court fees, if any)

INSTRUCTIONS:
• Go to www.adamsafeguardstudents.com
• Click on “Order Student Background”
• You will be required to enter School Code: bccn

Be sure to include newupdate_automail@adamsafeguard.com in your address book so the completed background report will not go into your spam mail.

PLEASE NOTE:
• The charges on your credit card will reflect the name Adam Safeguard.
• For those not utilizing a credit card you should complete the form, print it and send it with a bank check or money order to Adam Safeguard, 1187 Washington Street, Suite #2, Toms River, NJ 08753.

Please note that because of the timeframe involved in the return of the NJ Statewide Criminal History Searches (10 business days) we ask that you do not contact Adam Safeguard with inquiries regarding completion of searches before the 10-day mark. Unfortunately, we cannot inquire the status of these reports, nor can we expedite them in any way. If you need to contact Adam Safeguard, please call us at (732) 506-6100.

Although we are approved by Bergen Community College, you are Adam Safeguard’s client. You are entitled to:
• Our support
• Our best service
• As many copies of your profile as you require at no additional cost
• Indefinite profile storage
• Additional information to be provided on how to correct discrepancies
• If a discrepancy is located in your criminal history search, Adam will provide you with the necessary information regarding correct procedure on how to correct, admit, deny or dispute the claim(s). If a discrepancy is found in your Social Security Trace, we will provide you with the necessary information on how to identify and correct possible fraudulent activity.
Frequently Asked Questions:

• Will I be charged if I have lived outside of NJ? If so, how much?
  - Yes. The charge is $10 for each County (plus county court fees if any - excluding NY & PA). The charge for a NY Search will be $75 and PA will be $20.

• Will my prior arrest, criminal history, conviction, etc. show up?
  - We do not know what arrests, convictions, etc. will show up until the searches have been run.

• How long does the search take?
  - The search will take about 10 business days to complete if the record is clear. If a hit is recovered, it could take about two, even three weeks, to come back depending on the availability of any additional information that may be required to obtain. Unfortunately, we cannot expedite this process, nor can we contact the State Police for updates on results.

• What crimes/convictions/arrests will keep me out of the program?
  - The education and/or medical facilities will determine which applicants they will accept and deny based on the Background Report. Adam Safeguard does not have any authority to make these decisions.

• Who will have access to/see my report? My credit card number? My SS Number?
  - Adam Safeguard will have access to all three indicated above. The medical facility will have access to the reports, which will contain your SS Number.

• When/How will the school receive my report?
  - The education and/or medical facility will be directly linked to our system and they will be able to log in and view your report as soon as it is completed.

• What do I do if an arrest/conviction shows up on my report and it is not me?
  - Adam will provide you with information on how to dispute/deny/admit/correct any discrepancies in your criminal history. These are one page forms that can be found on our web site under “JCAHO Compliance”.

• What do I do if an address that isn’t mine shows up on my Social Security Trace?
  - You may download a form from the web site listed above that will direct you on how to correct any discrepancies found in your Social Security Trace.

• What if I had a PO Box in another state but never lived there?
  - We will still need to run a criminal search in that state, because the general idea is that you still had the opportunity to commit a crime in that area, resident or not.
