

Foreign Transcript Evaluation

If you completed high school abroad and plan on applying for financial aid you must obtain a “document-by document” evaluation of your foreign high school diploma. The evaluation must show that your foreign high school diploma is equivalent to a U.S. high school diploma.

If you have earned any college credit from an institution outside of the US, we recommend that you obtain a “course by course” evaluation of your credits.

Bergen only accepts evaluations from the current members listed on the National Association of Credential Evaluation Services (NACES) website;

www.naces.org

All evaluations must be received UNOPENED in a sealed envelope directly from the evaluation company. Unsealed envelopes will not be accepted

Evaluations should be sent to the following address:

Bergen Community College
400 Paramus Road, Transfer Evaluator, Paramus, NJ
07652

For more information on BCC transfer policies and how to view your transfer credit, please see:
bergen.edu/transfer
