

BERGEN COMMUNITY COLLEGE

STEM C² Research Summit

Friday, April 13, 2018

8 a.m. - 4 p.m.

Moses Family Meeting and Training Center

Technology Education Center, Room 128

400 Paramus Road

Paramus, NJ 07652

Promoting the intellectual and investigative development of students, faculty and staff in the science, technology, engineering and mathematics fields and fostering strong collaborative research among community colleges, high schools and 4-year colleges and universities in New Jersey and the surrounding areas.

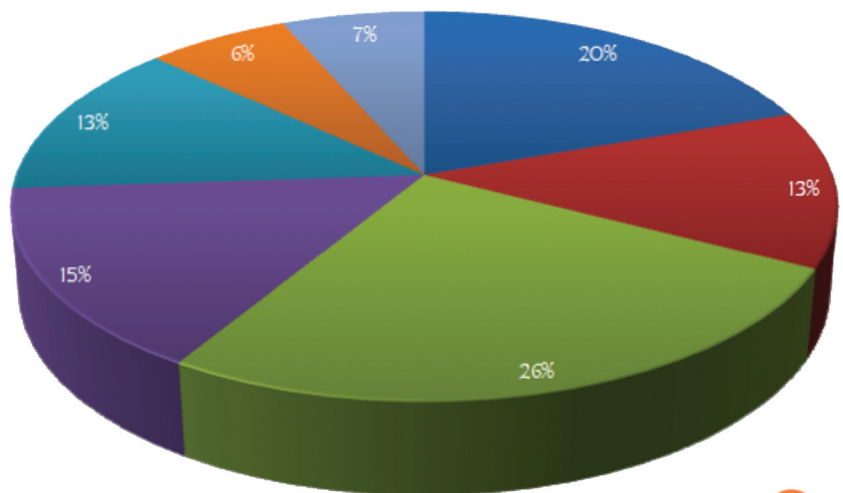

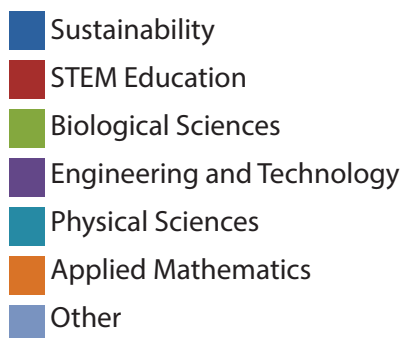

Why Sponsor?

STEM C² Research Summit is seeking sponsorship for its 5th annual conference scheduled for April 13, 2018. Our first annual STEM C² Research Summit was a huge success with over 375 participants from many colleges across New Jersey and New York. 16 workshops and panel discussions were conducted as well as 75 research displays spanning the topics of STEM (science, technology, engineering and mathematics) pedagogy and research. Sponsorship opportunities are limited and are available on a first-come, first-served basis. Interested sponsors must act quickly to ensure participation in our rapidly expanding 2018 event.

Who Attended Last Year's Conference?

Bergen Community College	County College of Morris	New York City College of Technology
Bergenfield High School	Essex County College	Noyce Program at Montclair State University
Brookdale Community College	Fairleigh Dickinson University	Ramapo College of New Jersey
Burlington County College	Felician College	Rockland Community College
Caldwell College	Manhattan College	Seton Hall University
Camden Community College	Mercy College	Stony Brook University
Centenary College	Middlesex County College	William Paterson University
The City College of New York	Montclair State University	

Stem Fields Represented
