BOARD OF TRUSTEES ACTION A/F 2
Approval Date: September 4, 2025

Resolution

To authorize the renewal of the College's Bloomberg Terminal licensing with Bloomberg Financial L.P. for a term of one year from July 27, 2025, through July 26, 2027.

Submitted By

Dr. Eric M. Friedman, President
Dr. Andrew Tomko, Vice President, Academic Affairs and Provost
Dr. Mi Na Ahn, Dean of Business and Social Sciences
Mr. Ron Spaide, Chief Information Officer
Mr. Wilton Thomas-Hooke, Chief Financial Officer
Ms. Stephanie Weise, Director, Purchasing and Services

Action Requested

Authorization to renew the College's Bloomberg Terminal licenses from Bloomberg Financial L.P. at an estimated cost of \$113,280 for a term of one year from July 27, 2025, through July 26, 2026.

Justification

The College needs to continue the operation of the Bloomberg lab located in the Innovation Center at the Lyndhurst campus to support our business programs and students. Colleges and universities around the globe leverage Bloomberg to bring real-world business and finance tools into the classroom, providing students with access to the same information platform used by leading decision makers, asset managers, and policy architects in business, finance, and government. With Bloomberg for Education, students can deepen their research and classwork while learning how to analyze financial markets, assess economic scenarios, and interpret key news developments that impact the global economy. The skills that students acquire from these experiences provide them with the confidence they need to compete effectively in today's work environment.

The college has a need to award this procurement as a non-fair and open contract pursuant to the provisions of N.J.S.A. 19:44A-20.4. Bloomberg Financial L.P. has submitted a Political Contribution Disclosure Form and a Stockholder Disclosure Form in accordance with N.J.S. A 19:44A-20.26 and a Business Entity Disclosure Certification in accordance with N.J.S.A. 19:44A-20.8, certifying that it has not made any reportable contributions to a political or candidate committee in the County of Bergen in the prior year, and that the contract will prohibit it from making any reportable contributions through the term of the contract. The Political Contribution Disclosure, the Stockholder Disclosure Certification and Business Entity Disclosure will be maintained on file at the College.

To authorize Dr. Eric M. Friedman, President, or his designee, to authorize and execute required documents.

Justification

The lease of hydroponic grow containers is a critical investment in the development of an inclusive, hands-on educational program tailored for students with intellectual and developmental disabilities (IDD). These containers will serve as the foundation for a specialized learning initiative, delivered in partnership with *Greens Do Good*, a recognized leader in sustainable vertical farming and workforce development for individuals with disabilities.
