Grammar
(Next Level)

- Students must take Grammar before or at the same time as Reading & Writing in each level.
- Students who choose to take only 3 credits, may take their SPE course without taking ALP courses at the same time.
- Students may take Grammar at a higher level if they have already taken Reading & Writing or are taking Reading & Writing of the previous level at the same time.
- Students can take a 3-credit ALP course without other ALP courses, if they have completed Grammar of the same level.
- Students who have completed at least 6 credits of ALP Level 3, can take college level courses while completing the remaining ALP requirements.
- New students with Accuplacer scores of 285 - 305 may be qualified to take college level courses while completing ALP required courses. Departmental advisement and permission necessary.
